Make a Mother's Day Card

1. Cut out the card on the dashed line then fold in half on the dotted line.
2. Cut out the top and bottom of the flower on the dashed lines.
3. Open the card and fold on the diagonal dotted lines.
4. Fold the card again then color the flower.
5. Apply glue along the thick gray lines and attach colored paper to form the outside of the card.
6. Decorate the outside of the card.

Happy Mother's Day
Thank you
