CERTPREP PRACTICE TESTS, POWERED BY GMETRIX

CertPREP PRACTICE TESTS

"The difference between ordinary and extraordinary is practice." -Vladimir Horowitz

When it comes to certification success, there is no substitution for practice. CertPREP Practice Tests, powered by GMetrix, enhance the preparation process and provide great functionality, ease of use, and reliability.

CertPREP Practice Tests align to official exam objectives and utilize in-application and performance-based simulation to deliver an accurate, real-world experience.

Practice Tests That Work

- Accurately replicates the testing environment
- Enhances learning through self-paced practice questions
- Builds familiarity with the testing environment
- Increases confidence and better prepares students to pass certification exams

Benefits for Students

- Students progress at their own pace, can save a test to resume later, or return to skipped questions.
- Access to an online dashboard to track progress and receive a score report highlighting areas requiring further review.

Benefits for Educators

- Two test mode options, **Testing Mode** and **Training Mode**
- An effective administration tool.
- Seamlessly integrates into your LMS
