

# Always in Touch

PEARSON INTERNATIONAL DIRECTORY 2012

At **Pearson** we take learning personally. We believe education is for everyone, and we provide the tools for people to learn: whatever their age, wherever they are, in whatever fashion they choose. Our textbooks, courses and resources are available in print, online and through multi-lingual packages distributed to teachers and students all over the world. We are the world's leading learning company with a portfolio that provides innovative textbooks, online testing, software solutions and integrated services. We are also part of the wider Pearson family which includes consumer publishing through Penguin and Dorling Kindersley and business information through the Financial Times. We are the world leader in education publishing with more than 150 years of

experience married with the very latest expertise in technology. We create interactive online learning that supports every learner, regardless of their age or ability because it is never too late to start learning – or start enjoying it. We provide education and assessment services in more than 75 countries. Products such as MyLabs, our bestselling digital homework and assessment programme, are changing the way students learn and teachers teach worldwide. Edexcel, the UK's largest awarding body providing academic and vocational qualifications and assessment, is also part of the Pearson team. Every day all over the world our products and services help learning flourish, and wherever learning flourishes, so do people.
