Pearson

Progression map: **Construction**

BTEC
- 1st First
- TA Tech Award
- L1A Level 1 Award
- Intr Introductory
- Sp Specialist
- Nat National
- HNC Higher National Certificate
- HND Higher National Diploma
- AAQ Alternative Academic Qualification

Edexcel
- Cert NVQ Certificate
- Dip NVQ Diploma

Apprenticeship
- OnP On-programme only
- EPA EPA only

T Level

LEVEL 1
- Health and Safety in a Construction Environment (L1A)
- Construction (Intr)
- Health and Safety in a Construction Environment (Sp)
- Construction and the Built Environment (1st)
- Construction and the Built Environment (TA)

LEVEL 2
- Carpentry and Joinery (OnP)
- Roadbuilding and Maintenance (Cert)
- Interior Systems (Cert)
- Decorative Finishing and Industrial Painting Occupations (Dip)
- Cladding Occupations (Dip)
- Trowel Occupations (Dip)
- Construction and Civil Engineering Operations (Dip)
- Construction Occupations (Sp)
- Construction and the Built Environment (1st)
- Construction and the Built Environment (TA)

LEVEL 3
- Building Services Engineering Design Technician (OnP)
- Digital Engineering Technician [1] (OnP)
- Civil Engineering Technician (OnP)
- Railway Engineering Design Technician (OnP)
- Design, Surveying and Planning for Construction
- Occupational Work Supervision (Dip)
- Construction Contracting Operations (Dip)
- Civil Engineering for Technicians (Dip)
- Built Environment Design (Dip)
- Construction and the Built Environment (NAT)
- Construction and the Built Environment (AAQ)

LEVEL 4
- Construction Site Supervisor [2] (OnP)
- Construction Site Engineering Technician (OnP)
- Building Services Engineering Technician (OnP)
- Construction Site Supervision (Dip)
- Quantity Surveying [3] (HNC)
- Modern Methods of Construction [3] (HNC)
- Construction Management [3] (HNC)
- Civil Engineering [3] (HNC)
- Building Services Engineering [3] (HNC)
- Architectural Technology [3] (HNC)

LEVEL 5
- Construction Management (Sustainability) (Dip)
- Quantity Surveying [3] (HND)
- Modern Methods of Construction [3] (HND)
- Construction Management [3] (HND)
- Civil Engineering [3] (HND)
- Building Services Engineering [3] (HND)
- Architectural Technology [3] (HND)

LEVEL 6
- Construction Contracting Operations Management (Dip)
- Construction Site Management (Dip)
- Senior Site Inspection (Dip)

LEVEL 7
- Construction Senior Management (Dip)

[1] Including NVQ Diploma in Built Environment Design (MANDATORY) | [2] Including NVQ Diploma in Construction Site Supervision | [3] Also available as an approved Higher Technical Qualification (HTQ) - available in England only.
