

# Six steps to getting your programmes Assured by Pearson:

1

Contact us to discuss your needs. Fill in a form with the number of programmes you're submitting and an estimate of annual learner numbers.

2

Submit your policies and training processes for review.

3

Receive an independent benchmarking report.

4

Implement our recommendations to meet the required quality standards.

5

Achieve Assured by Pearson status. Include the logo in your marketing materials to promote your programmes with confidence.

6

Connect with our Credly team to set up your account and begin issuing co-branded badges and digital certificates. (Printed certificates available at additional cost.)
