		USH.P.2 Use interdisciplinary tools to acquire, apply, and evaluate content understanding of the four strands of social studies.	USH.P2.1 Demonstrate an understanding of the principles of government, the benefits of democratic systems, and their responsibilities as citizens. A. Evaluate various significant documents from the United States and other nations to compare civic virtues and principles of political systems. B. Evaluate the impact of the structure and powers exercised by governmental systems on public policy, using historical and contemporary examples. C. Analyze the impact of constitutions, laws, treaties, and international agreements, by comparing how various governmental powers and responsibilities have changed over time.	A. Chapter 5: African Americans in the New Nation, 1783-1820 Review Questions: Q 3 Page 140 B. Chapter 11: Liberation: African Americans and the Civil War, 1861-1865 Review Questions: Q 2 Page 310 C. Chapter 14: White Supremacy Triumphant: African Americans in the Late Nineteenth Century, 1877-1918 Review Questions: Q 1 Page 398
			USH.P.2.2 Develop skills which demonstrate an understanding of historical events and the people who shaped our history. A. Gather and evaluate the usefulness of various formats of evidence for specific inquiry, analyzing the broader historical context, and assessing potential bias and credibility of sources.	A. This text does not require students to demonstrate this skill. B. Chapter 11: Liberation: African Americans

			B. Analyze complex and interacting factors that influence multiple perspectives during different historical eras and contemporary events. C. Evaluate how multiple, complex events are shaped by unique circumstances of time and place; construct and interpret parallel timelines.	and the Civil War, 1861-1865 Review Questions: Q 1 Page 310 C. Chapter 16: Conciliation, Agitation, and Migration: African Americans in the Early Twentieth Century, 1895-1925 Review Questions: Q 6 Page 477
			USH.P.2.3 Demonstrate a mastery of geographic concepts and the use of geographic tools to understand the impact of geography on the past and present. A. Actively engage in asking and answering geographic questions by acquiring, organizing, and analyzing multiple sources of data and information about the world's past and present. B. Compare and analyze complex maps and mapping technologies to analyze spatial patterns of human and physical environments, explaining relationships between the environment and events, past and present. C. Evaluate the extent to which political and economic decisions have had significant impact on human and physical	A. This text does not require students to demonstrate this skill. B. This text does not require students to demonstrate this skill. C. Chapter 18: Black Protest, Great Depression, and the New Deals, 1929-1940 Review Questions: Q 4 Page 545

			environments of various places and regions.	
			USH.P.2.4 Identify the principles of economic systems and develop an understanding of the benefits of a market system in local, national, and global settings. A. Evaluate economic data from charts and graphs, noting trends and making predictions. B. Construct arguments using a combination of evidence regarding solutions used by nations to address historical or contemporary economic issues. C. Evaluate the impact, both intended and unintended, of government policies on market outcomes at national and global levels, past and present	A. This text does not require students to demonstrate this skill. B. Chapter 21: The Long Freedom Movement, 1950-1970 Review Questions: Q 2 Page 659 C. Chapter 24: African Americans End the Twentieth Century and Enter into the Twenty-First Century, 1980-2016 Review Questions: Q 7 Page 781
		USH.P.3 Engage in critical, active reading of primary and secondary sources related to social studies concepts.	USH.P.3.1 Comprehend, evaluate, and synthesize textual sources to acquire and refine knowledge in the social studies. A. Cite specific textual evidence to support analysis of primary and secondary sources, evaluating features such as author, date, and origin of information. B. Analyze information from visual, oral, digital, and interactive texts (e.g., maps, charts, images,	A. Chapter 23: Black Politics and President Barack Obama, 1980-2016 Review Questions: Q 3 Page 745 B.

			political cartoons, videos) in order to draw conclusions and defend arguments.	Chapter 17: African Americans and the 1920s, 1918-1929 17.1.3 The Ku Klux Klan Artifacts as Evidence: Questions Page 485
			USH.P.3.2 Apply critical reading and thinking skills to interpret, evaluate, and respond to a variety of complex texts and perspectives. A. Evaluate the extent to which historical or cultural perspectives affect an author's stated or implied purpose. B. Evaluate the author's point of view, potential bias, and how authors can reach different conclusions regarding the same issue. C. Actively listen, evaluate, and analyze a speaker's message, asking questions while engaged in collaborative discussions about social studies topics and texts.	A. Chapter 4: Rising Expectations: African Americans and the Struggle for Independence, 1763-1783 4.3 The Black Enlightenment Voices: Questions Page 97 B. This text does not require students to demonstrate this skill. C. This text does not require students to demonstrate this skill.
		USH.P.4 Develop a variety of evidence-based written products designed for multiple purposes.	USH.P.4.1 Summarize and paraphrase, integrate evidence, and cite sources to create written products, research projects, and presentations for multiple purposes related to social studies content.	A. This text does not require students to demonstrate this skill. B.

			A. Compose informative essays and written products, developing a thesis, citing and incorporating evidence from multiple sources and maintaining an organized, formal structure. B. Compose argumentative written products, including a precise claim as distinguished from opposing claims, organizing logical reasoning, and providing credible evidence to develop an argument.	This text does not require students to demonstrate this skill.
			USH.P.4.2 Engage in authentic research to acquire, refine, and share knowledge through written presentations and products. A. Develop self-generated theses or claims related to independent research and investigations using credible and relevant sources. B. Integrate quotes and summaries of research findings into written products while avoiding plagiarism. C. Construct presentations or products for a designated audience, using research and reasoning to enhance understanding of a topic or issue.	A. This text does not require students to demonstrate this skill. B. This text does not require students to demonstrate this skill. C. This text does not require students to demonstrate this skill.
	United States History Content Standards	USH.C.1 Analyze the transformation of the United States of America through its civil rights struggles, immigrant experiences, and settlement of the United States of American West during the Post Civil War Era.	USH.C. 1.1 Explain the constitutional issues that arise in the post-Civil War era. A. Summarize the fundamental principles of the United States of America’s constitutional republic and how events of the post-war era affected the Constitution’s balance of the public good with the protection of individual rights. B. Analyze the Constitution’s concepts of federalism, separation of powers, and the system of checks and balances to	A. Chapter 5: African Americans in the New Nation, 1783-1820 5.2 Forces for Slavery 5.2.1 The Constitution Page 122 B.

			changing relationships in American politics as the nation rebuilt following the Civil War. C. Examine the meanings and effects of the Reconstruction Amendments (13th, 14th, and 15th Amendments) and the Civil Rights Act of 1867, assessing the extent to which each enabled social, political, and economic change.	This content is not covered in this text. C. Chapter 12: The Meaning of Freedom: The Promise of Reconstruction, 1865-1868 12.5 Presidential Reconstruction under Andrew Johnson 12.5.7 The Fourteenth Amendment 12.5.8 Radical Reconstruction Page 335
			USH.C.1.2 Analyze the post-Reconstruction civil rights struggles of African Americans. A. Identify the significance of Juneteenth in relation to emancipation and modern-day commemorations. B. Explain the reasons for adoption of Black Codes immediately following the Civil War and their limitations on economic opportunities and property ownership. C. Describe how some Southerners responded to change brought about by Reconstruction, including the rise of the Ku Klux Klan, its methods of intimidation and terror, including lynching, disenfranchisement, and the passage of segregation laws.	A. This topic is not covered in this text. B. Chapter 12: The Meaning of Freedom: The Promise of Reconstruction, 1865-1868 12.5 Presidential Reconstruction under Andrew Johnson 12.5.1 Black Codes Page 335 C.

				Chapter 12: The Meaning of Freedom: The Promise of Reconstruction, 1865-1868 12.5 Presidential Reconstruction under Andrew Johnson 12.5.12 The Reaction of White Southerners Page 335
			USH.C.1.3 Analyze the causes and effects of the continuing westward migration and territorial growth after the Civil War. A. Explain the impact of the Homestead Act, the completion of the Transcontinental Railroad, and the purchase of Alaska on settlement patterns and Native populations. B. Describe “Grant’s Peace Policy” including the establishment of reservations and the use of religious organizations to assimilate American Indians through religious instruction and agricultural training. C. Examine American Indian perspectives on westward expansion and the end of the Indian Wars at Wounded Knee, as expressed by such leaders as Red Cloud, Quanah Parker, and Chief Joseph. D. Describe the intent and effects of assimilation policies including	A. This topic is not covered in this text. B. This topic is not covered in this text. C. Chapter 15: African Americans Challenge White Supremacy, 1877-1918 15.4 Red versus Black: The Buffalo Soldiers 15.4.2 The Buffalo Soldiers in Combat Page 414 D. This topic is not covered in this text.

			the impact of Indian Boarding Schools on Native culture, identity, and economic outcomes over time.	E. This topic is not covered in this text.
			E. Evaluate the impact of the Dawes Act on Tribal sovereignty and land ownership.	
			USH.C.1.4 Analyze the impact of immigration on settlement patterns in American society and economic growth.	A. This topic is not covered in this text.
			A. Summarize the reasons for immigration and the immigrant experiences of Southern Europeans, Eastern Europeans, and East Asians at processing centers such as Ellis Island and Angel Island.	B. This topic is not covered in this text.
			B. Describe the Americanization programs which sought to integrate and assimilate immigrants (e.g., political party machines, Tammany Hall) through instruction in English and the American system of government.	C. Chapter 10: “And Black People Were at the Heart of It”: The United States Disunites Over Slavery, 1846-1861
			C. Examine the rise and motivations of Nativism against a new wave of Eastern European immigrants.	10.2 Fugitive Slaves
			D. Describe the contributions of Chinese immigrants to the national economy and nativist opposition to their continued immigration.	10.2.8 Nativism and Know-Nothings
			E. Explain changes in federal immigration policy including the Chinese Exclusion Act, the Gentlemen’s Agreement, and the Supreme Court’s application of the 14th Amendment.	Page 257
				D. This topic is not covered in this text.
				E. This topic is not covered in this text.

		USH.C.2 Analyze the social, economic, and political changes that occurred during the American Industrial Revolution, the Gilded Age, and reform movements.	USH.C.2.1 Evaluate the transformation of American society, economy, politics, and culture during the American Industrial Revolution. A. Explain how the United States was transformed from an agrarian to an increasingly industrial, urbanized society and how this transformation created both new economic opportunities, as well as societal problems. B. Describe the changing role of the American farmer, including the establishment of the Granger movement. C. Analyze the impact of capitalism and laissez-faire policy on business practices, such as monopolies, the characterization of “robber barons” and the role of industrialists in economic growth, as well as philanthropy (e.g., Cornelius Vanderbilt, J.P. Morgan, John D. Rockefeller, and Andrew Carnegie, including his Gospel of Wealth essay on American society.) D. Identify the impact of new inventions and industrial production methods on the growth of the American economy and standard of living (e.g., technologies developed by Thomas Edison, Alexander G. Bell, Henry Ford, and the Bessemer Process). E. Examine the complex conditions that characterized the	Chapter 7: Free Black People in Antebellum America, 1820-1861 7.2 The Jacksonian Era Page 176 B. Chapter 14: White Supremacy Triumphant: African Americans in the Late Nineteenth Century, 1877-1918 14.1 Politics 14.1.2 Democrats and Farmer Discontent Page 374 C. 			Gilded Age (e.g., rapidly expanding economy, growing middle class and the influence of mass culture, concentration of wealth, corrupt politics, poverty, and environmental consequences). F. Evaluate the role of muckrakers and social reformers (e.g., Jane Addams, Ida Tarbell, Jacob Riis, Upton Sinclair) on increased awareness of business practices and societal concerns, including child labor, working conditions, and the regulation of big business. G. Assess the significance of the Labor Movement, including the leadership of Samuel Gompers and Eugene V. Debs, by comparing its early goals (e.g., formation of trade unions, favorable legislation) to repercussions following the Pullman Strike and the Haymarket Affair.	F. This topic is not covered in this text. G. Chapter 15: African Americans Challenge White Supremacy, 1877-1918 15.5 African Americans and Their Role in the American Economy 15.5.3 African Americans and Labor Page 423
			USH.C.2.2 Evaluate the efforts of major reform movements in addressing social issues. A. Describe the Women’s Suffrage Movement, focusing on the leadership of Susan B. Anthony and Elizabeth Cady Stanton, as well as strategies used to bring attention to the suffrage cause. B. Explain how the Social Gospel movement emphasized the application of Christian principles of social justice to societal problems, such as poverty, inequality, and injustice.	A. This topic is not covered in this text. B. This topic is not covered in this text. C. Chapter 14: White Supremacy Triumphant: African Americans in the Late Nineteenth Century, 1877-1918 14.3 Segregation

			C. Summarize changing race relations as a result of the Plessy v. Ferguson decision, establishing a doctrine that became known as "separate but equal." D. Describe continued attempts to disenfranchise African Americans through the use of poll taxes and literacy tests by some state governments. E. Compare the viewpoints of early civil right leaders, such as Booker T. Washington, W.E.B. DuBois, and Ida B. Wells, in response to rising racial tensions. F. Evaluate the influence of the Niagara Movement and the National Association for the Advancement of Colored People (NAACP) on expanding opportunities for African Americans.	14.3.3 Plessy v. Ferguson Page 380 D. Chapter 14: White Supremacy Triumphant: African Americans in the Late Nineteenth Century, 1877- 1918 14.2 Disfranchisement Page 376 E. Chapter 16: Conciliation, Agitation, and Migration: African Americans in the Early Twentieth Century, 1895- 1925 16.1 Booker T. Washington's Approach Pages 441-442 16.2 W. E. B. 			USH.C.2.3 Evaluate the rise and reforms of Populism and the Progressive Movement. A. Describe how democratic processes (e.g., direct primary, initiative petition, referendum, recall) intended to limit political corruption by making politicians and lawmaking more immediately responsive to the people. B. Explain the impact of William Jennings Bryan and his Cross of Gold message on the political landscape. C. Trace the series of events leading to and the effects of the 16th and 17th Amendments to the Constitution of the United States. D. Describe how the rise of trusts and monopolies impacted consumers and workers, prompting government's response with the Sherman and Clayton Antitrust Acts.	Chapter 16: Conciliation, Agitation, and Migration: African Americans in the Early Twentieth Century, 1895-1925 Introduction Page 438 A. This topic is not covered in this text. B. This topic is not covered in this text. C. This topic is not covered in this text. D. This topic is not covered in this text.

			USH.C.2.4 Analyze and compare the personalities, actions and policies of presidents during the Progressive Era. A. Describe the efforts of President Theodore Roosevelt’s administration, including the promises of the Square Deal, Meat Inspection Act, Trust-busting laws, and support for conservation. B. Examine President William Howard Taft’s “trust-busting” agenda, the Pure Food and Drug Act, and formation of the Interstate Commerce Commission. C. Evaluate the significance of the 1912 presidential election, including the rise of Roosevelt’s Bull Moose Party and the viability of Eugene V. Debs’ Socialist Party. D. Describe the work of President Woodrow Wilson’s administration, including the promises of “New Freedom” and passage of the Federal Reserve Act.	A. This topic is not covered in this text. B. This topic is not covered in this text. C. This topic is not covered in this text. D. This topic is not covered in this text.
		USH.C.3 Analyze the expanding role of the United States of America in international affairs as the United States of America was transformed into a world power in the late 19th and early 20th centuries.	USH.C.3.1 Evaluate the impact of imperialism on international relations and its effect on developing nations. A. Explain the rise of the United States as a world power amidst debates over the United States’ role in world affairs and overseas expansion. B. Compare the economic, religious, social, and political rationales for American imperialism, comparing the concept of Social Darwinism to	A. Chapter 20: The World War II Era and the Seeds of a Revolution, 1940-1950 20.5 The Cold War and International Politics 20.5.1 African Americans in World Affairs:

			arguments made by Anti-Imperialists and colonial responses. C. Explain the economic and military justifications for the annexation of Hawaii, including the impact of Admiral Alfred T. Mahan’s vision for American naval power. D. Identify the events that led many people in the United States of America to support going to war with Spain, assessing how yellow journalism and jingoism influenced public opinion. E. Examine how the Spanish-American War resulted in the rise of the United States as a world power, leading to new territorial acquisitions and followed by national insurrections in Cuba and the Philippines. F. Assess the foreign policy of President Roosevelt’s “Big Stick” Diplomacy and his Corollary to the Monroe Doctrine, influencing the acquisition and construction of the Panama Canal. G. Explain the focus of President Taft’s “Dollar Diplomacy” to ensure the financial stability of a region while protecting and extending national commercial interests. H. Examine how President Wilson’s ethical and religious beliefs influenced his vision of “Missionary Diplomacy” as America’s moral responsibility to spread the benefits of democracy to emerging nations.	W.E.B. Du Bois and Ralph Bunche Page 608 B. Chapter 16: Conciliation, Agitation, and Migration: African Americans in the Early Twentieth Century, 1895-1925 16.6 Race Riots Page 462 C.
