

Discover more ways to learn with Pearson eTextbooks.

More interactive - Videos, quizzes and interactive diagrams bring your textbook to life and make concepts click.

More memorable - Highlight, take notes and find what you need fast. Everything in one place for easy learning.

More flexible - Learn on your laptop, tablet, or phone. Listen with audio, read offline, and pick up right where you left off.

More support - AI gives you instant help with explanations, summaries, and practice questions. On mobile, simply ask out loud.

More clarity - Instantly translate text into over 100 languages so you can stay focused and learn with confidence. When you're trying to learn something, you need more than a book...

You need tools that help you understand, remember, and practice what you're learning. Get more out of every chapter, every topic, every class.
