CTE: Healthcare & Human Services – Health Science (Core II)

Anatomy, Physiology, & Disease: An Interactive Journey for Health

Professionals, ©2024

Program Description

Anatomy, Physiology and Disease meets the standards for medical anatomy and physiology from YouScience.

Anatomy, Physiology, and Disease helps build strong connections to key ideas that help students prepare to be healthcare practitioners.

- **Comprehensive learning:** Presents the interrelationships between anatomy, physiology, and pathology.
- **Practical applications:** Clinical applications, common diagnostic tests, pharmacology information, workplace and professionalism skills.
- **Current research:** All body systems content has been updated to include the most recent research connecting disease states to abnormal changes in anatomy and physiology.
- **Enhanced training with MyLab®** - This interactive online platform is a unique web-based learning resource that provides a range of visual, auditory, and interactive elements to enhance training.

Access Credentials:

Username: msscienceandcte2025

Password: MSAdoptions2025

The Pearson Sample Credentials for this title permit multiple users in multiple locations to review the text and its features simultaneously. As such, these credentials represent all categories of digital access requested (demo, limited, and full access). If this title is selected for adoption, Pearson will provide demo access for the full adoption period and/or provide alternate logins, as needed.

Access Credentials

1. Navigate to:

<https://mlm.pearson.com/>

2. Select “Sign in to your course”

- Enter the credentials:
- Username:
msscienceandcte2025
- Password: MSAdoptions2025
- Select “Sign in”

3. Accessing a Course

- Select the course/title desired by hovering over the title and clicking.
- On the Course Home Screen, choose the materials you want to review.
- To review the Instructor Resources, select “Instructor Resources” from the left menu, then explore the various options.
- When selected, individual resources will download/open in a new tab. Be sure to scroll down to see all options.
