Course Title:

Discovering AgriScience

ISBN: 9780135408353

Main Program components: Student Edition Hardcover with six (6) MyLab digitally delivered access codes

Program Description

Discovering AgriScience provides middle school students with a guide to the fascinating agriculture industry and how agriculture impacts our everyday lives. The program is designed to develop students in agriculture while preparing them to move on to the next stage in their agriculture education. STEM and career readiness concepts are emphasized throughout.
