Course Title:

Foundations of Teaching

ISBN: 9780138262945

Main Program components: Student Edition Hardcover with six (6) MyLab digitally delivered access codes

Program Description

Foundations of Teaching introduces students to the pivotal role teachers play in forming individuals and shaping society. The text emphasizes the opportunities for teachers to impart knowledge, foster critical thinking, and nurture the next generation of citizens and leaders. Students discover the characteristics of successful teachers while learning the answers to two critical questions: “Do I want to teach?” and “What would it take for me to become a high-quality teacher?”. **The text prepares students for the Teaching as a Profession I and Teaching as a Profession II certification exams by YouScience®.**
