

# Pearson+ Getting Started

Access code redemption, registration, library setup & support

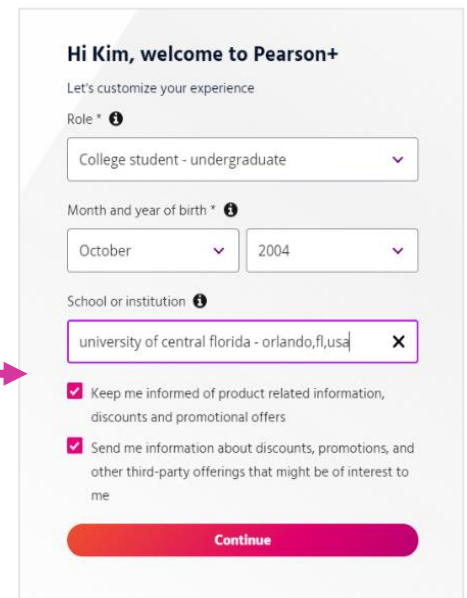

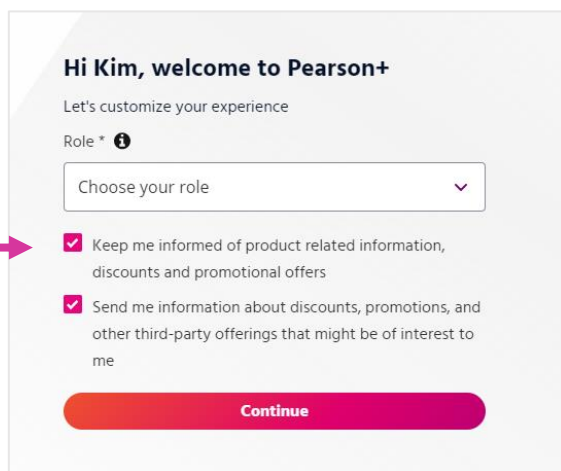

## Code Redemption

After the Learner purchases and reveals the Pearson+ Access Code from the Campus Store they will redeem the code on the [redeem.pearsonplus.com](https://redeem.pearsonplus.com).

## Signing In

The Learner then signs in with an existing Pearson account or creates a new Pearson account.  
*Note: No credit card details are needed to create their Pearson account.*

## Confirmation

Once the Learner logs in the Access Code, redemption is confirmed.

The confirmation screen features a green checkmark icon at the top left. The main heading is "Congratulations" in a large, bold font. Below it, a message states: "You've successfully redeemed your access code. We've sent a confirmation email for your order 10000013167514 to kim.brugger@pearson.com". A secondary message reads "You're all set and ready to go". A prominent pink button labeled "Go to library" is centered below the messages. On the right side, under the heading "Order summary", the following details are listed: "Plan: Single subscription, 4 months", "Access code: ZHUS-YNAZ-DQLR-3IX2-UWLM-DJRS", and "Payment details: Redeemed by access code".

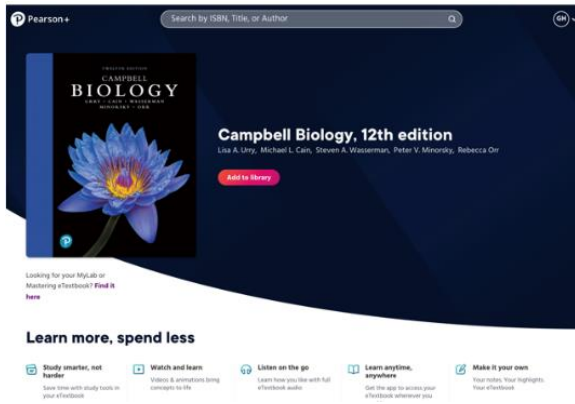

This screenshot shows the Pearson+ library interface. At the top, there is a search bar with the placeholder text "Search by ISBN, Title, or Author". Below the search bar, a banner reads "Need more than one eTextbook?" with an "Upgrade" button. A "Library" section is highlighted with a pink circle, showing a book cover for "ORGANIZATIONAL BEHAVIOR". A pink box with an arrow pointing to the search bar contains the text: "Multi Access users will need to select their titles to populate their Library using the Search bar above." Another pink box with an arrow pointing to the book cover contains the text: "For Single Access users, their purchased title will automatically populate on their Library shelf." Below the library section, there is an "Exam prep with Channels" section with various subject cards like "General Chemistry", "Physics", "Biology", "Financial Accounting", "Macroeconomics", and "Microeconomics". At the bottom, there is an "Internship & job opportunities" section.

## Search

For Multi Access users to locate and add titles to their library shelf.

The student enters either the author or title into the search field and selects the specific eTextbook they purchased.

This screenshot shows the search results interface. A search bar at the top contains the text "cam". Below the search bar, a list of search results is displayed, including "Campbell Biology", "Campbell Biology in Focus", and "Campbell Biology: Concepts & Connections". A pink box highlights the search results area, and a pink arrow points from the search bar to the results. Below the search results, there is a "Channels" section with various subject cards like "Anatomy & Physiology I", "Physics", and "General Chemistry".

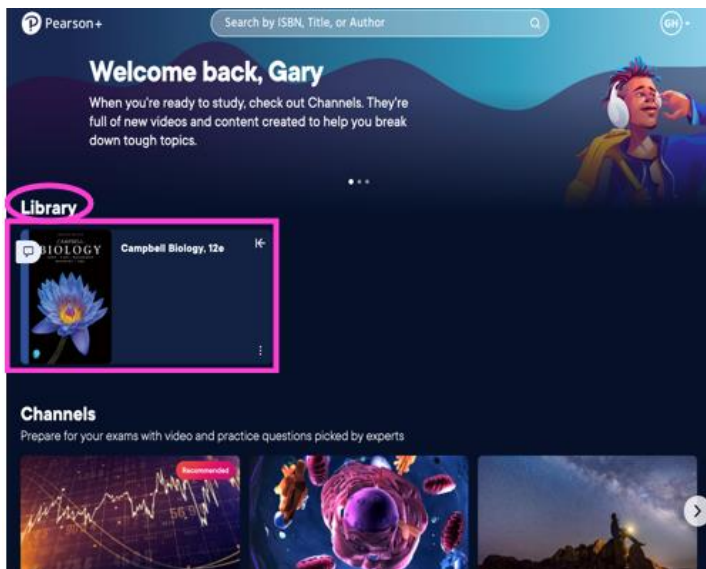

## Title Details Page

The search will bring the Learner to the selected eTextbook title, and they will add the title to their library for their subscription period.

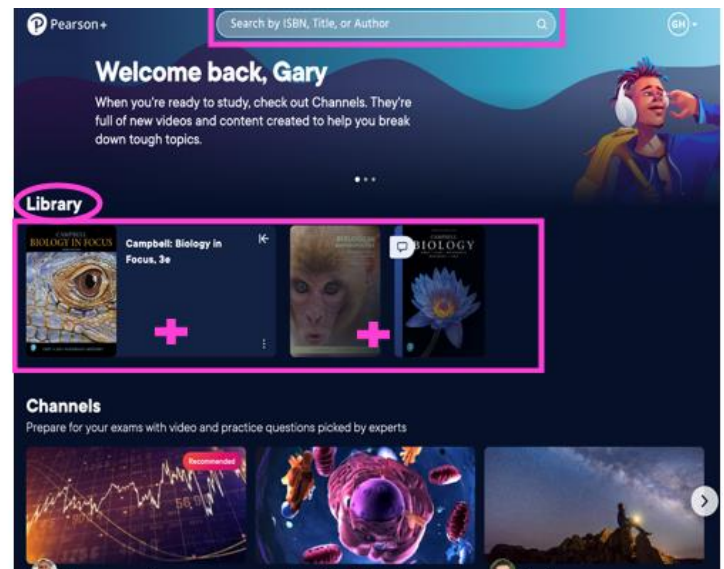

- Multi plan subscribers can add as many titles as they need
- Upgrading from a Single to a Multi plan is an option via [Pearsonplus.com](https://www.pearsonplus.com)

## Home Page & Library

Titles are automatically populated for Single Access users

Multi Access users can add unlimited titles to their library

## Support
