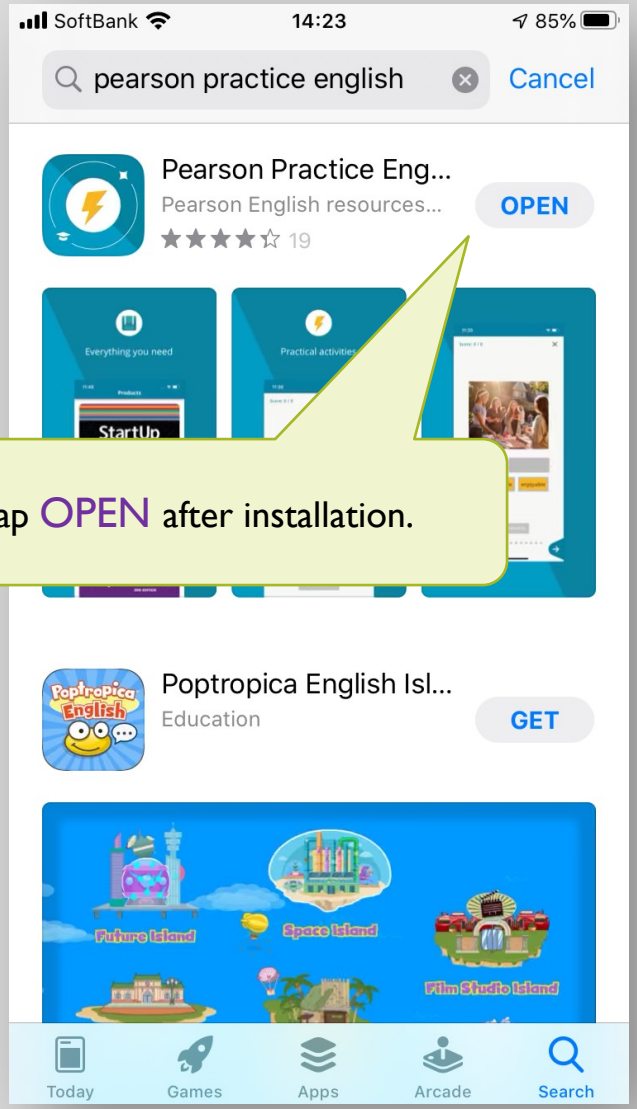
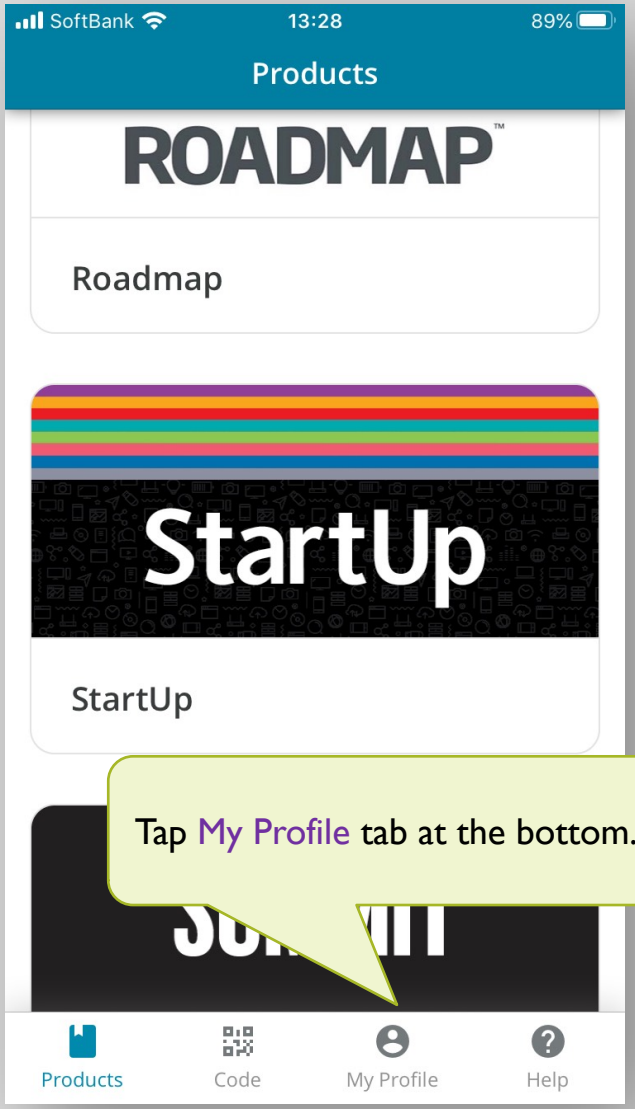
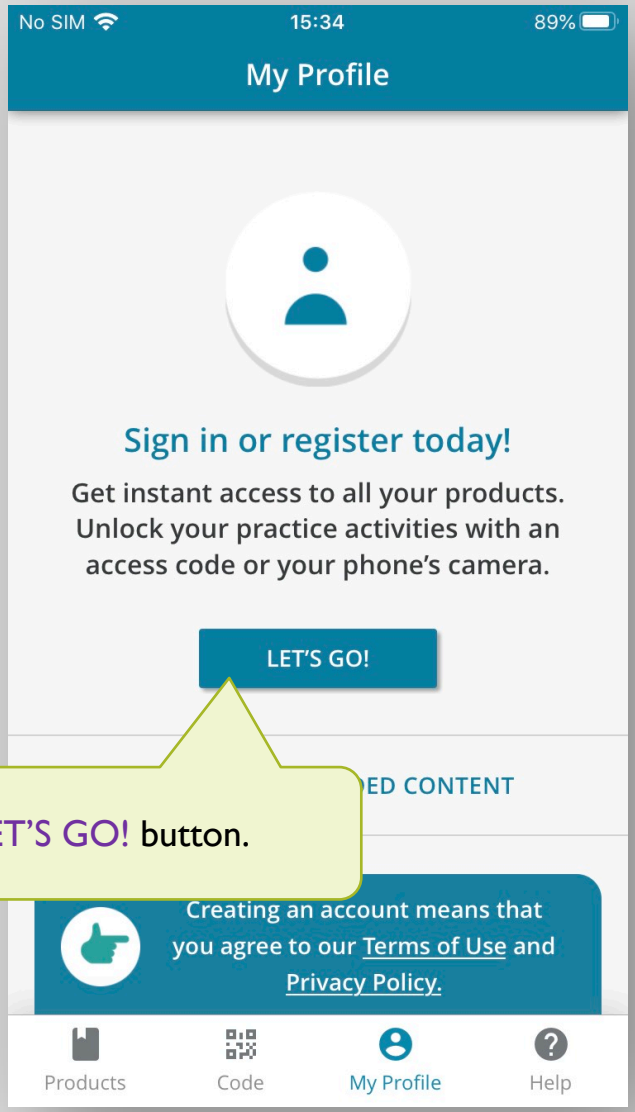
How to use Pearson Practice English (PPE) app

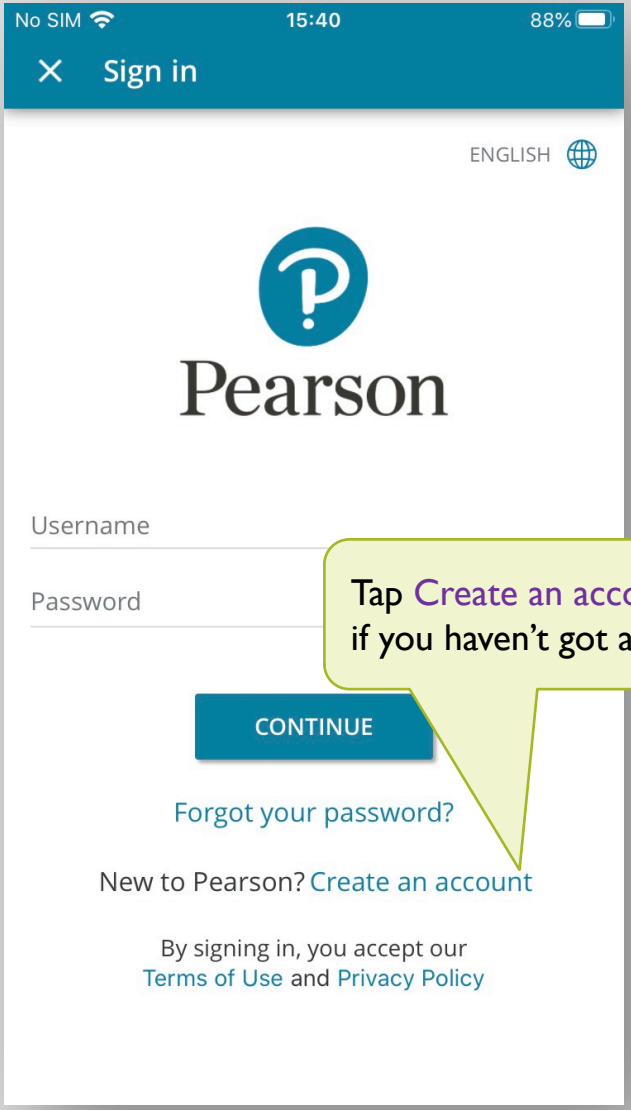




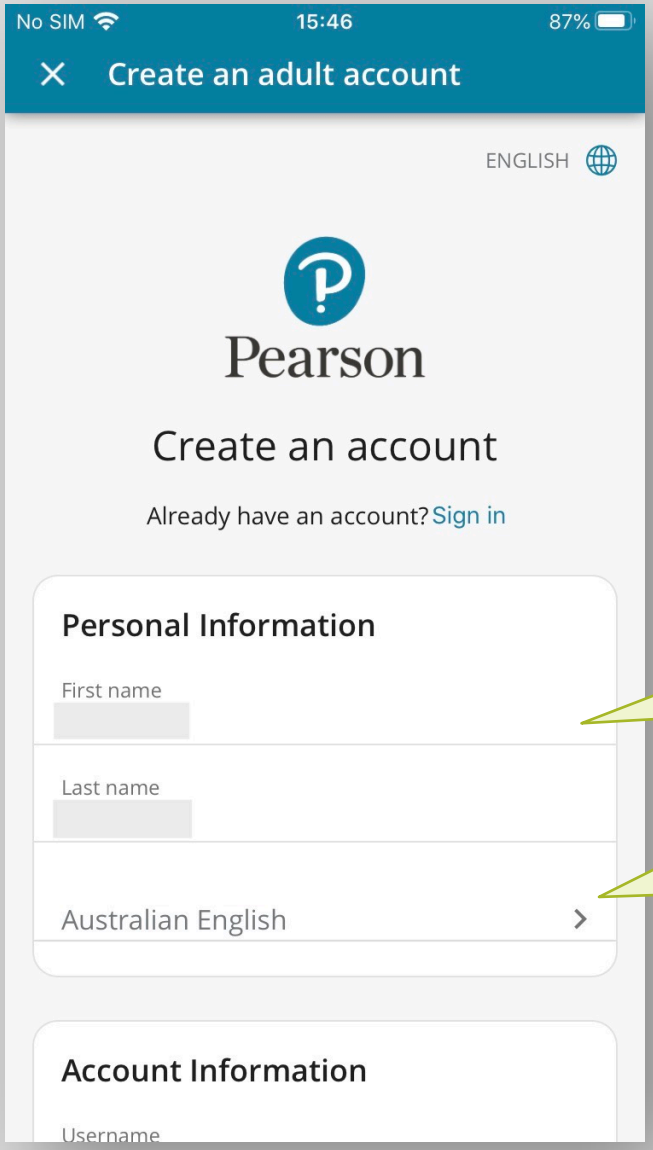
Create an account first.



Tap LET'S GO! button.



Tap Create an account if you haven't got an account.

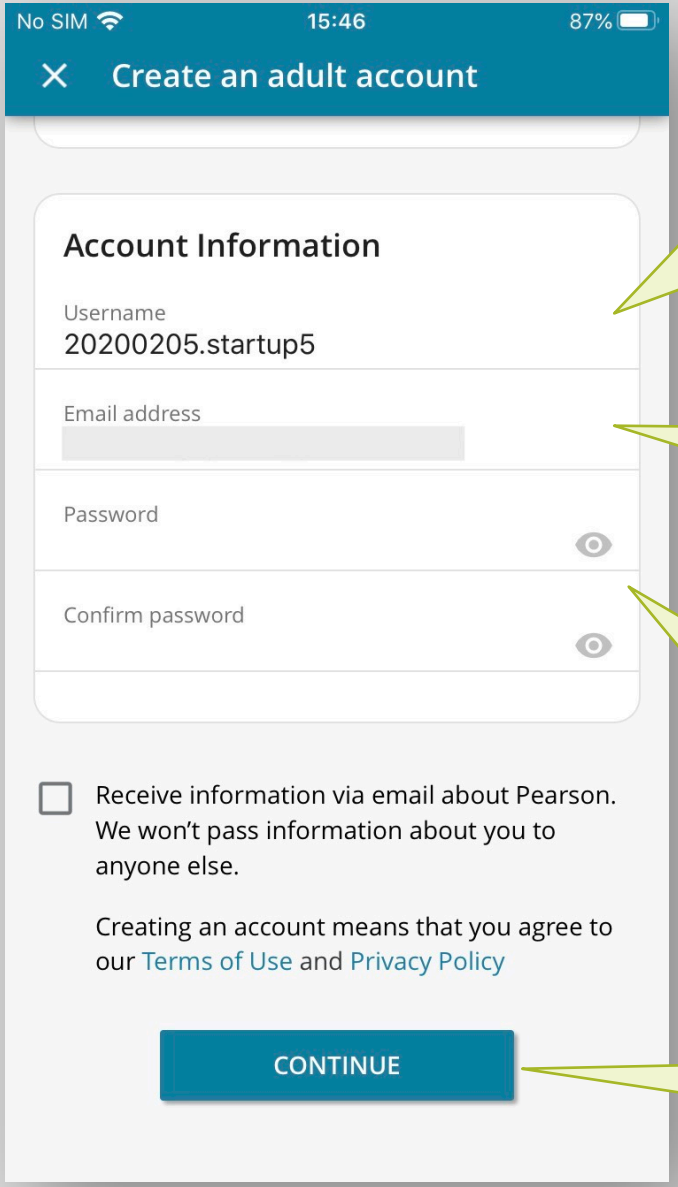


! Please remember your username and password. You need them every time you access Pearson Practice English app.

Enter your first and last name.

Choose English in Native Language.

(Japanese is unavailable in Feb 2020)



Use only small letters, numbers and special characters: . (dot) _ (underscore) - (hyphen) or @ in Username.

(If the error message "This username already exists" shows up here, the username has already been taken in our system. It is recommended to user your own email address as your username.)

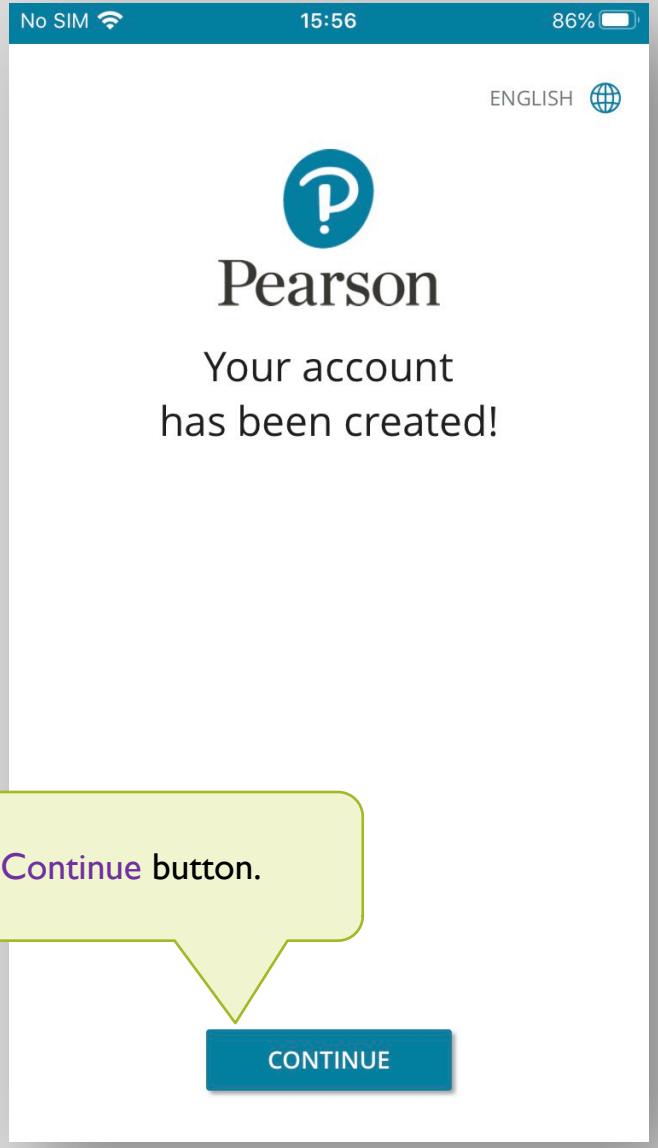
Use an email address that exists.

Enter 8 to 32 small letters including at least one number or special character.

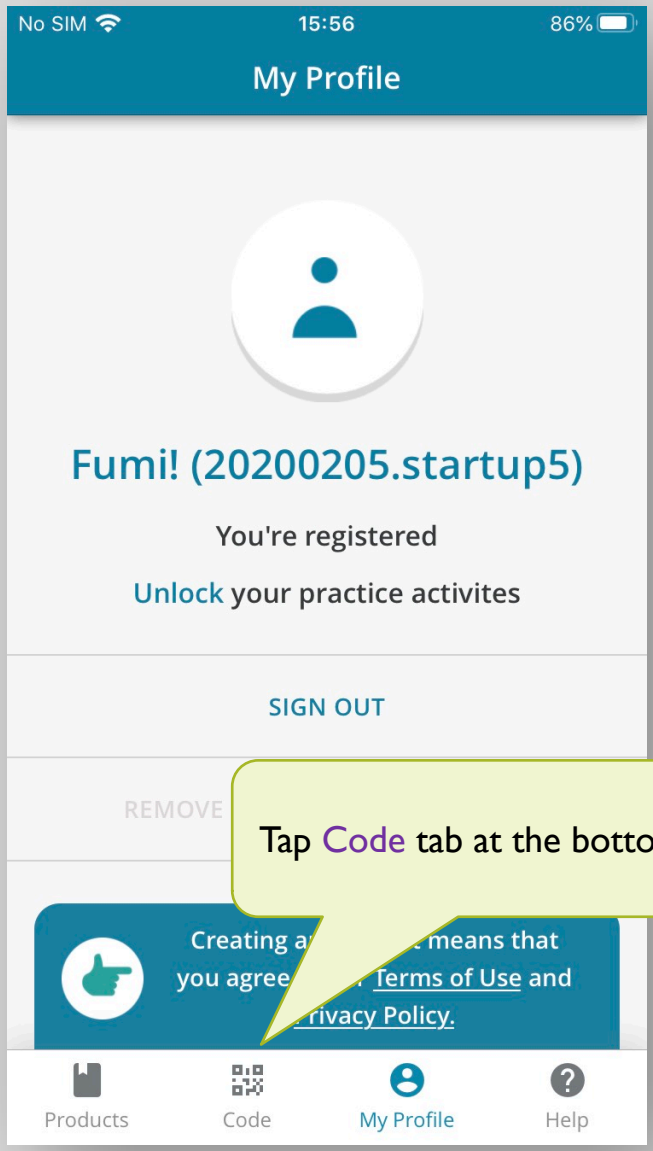
It cannot contain blank spaces, your name or your username.

Tap Continue button when all the fields above filled.

Add a product after creating the account.

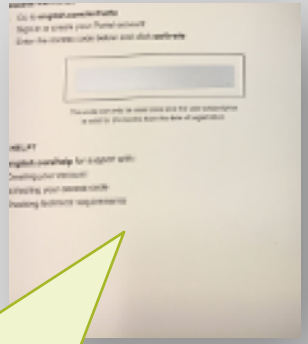


Tap Continue button.



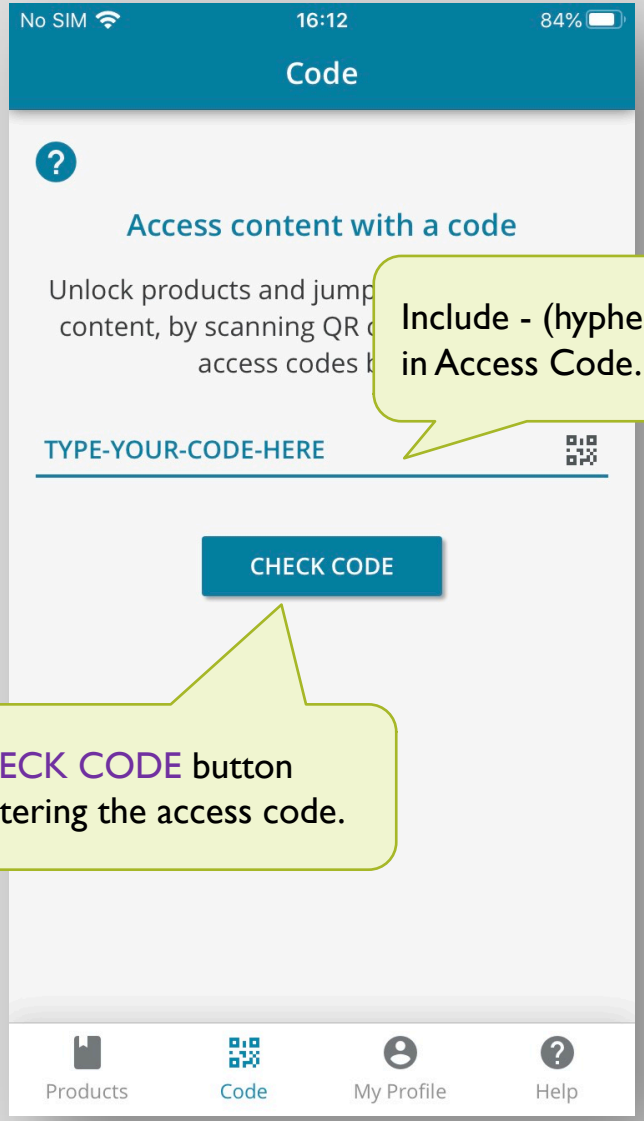
Tap Code tab at the bottom.

Enter an access code for the product.



You can find an access code on the back cover of the book you purchased.

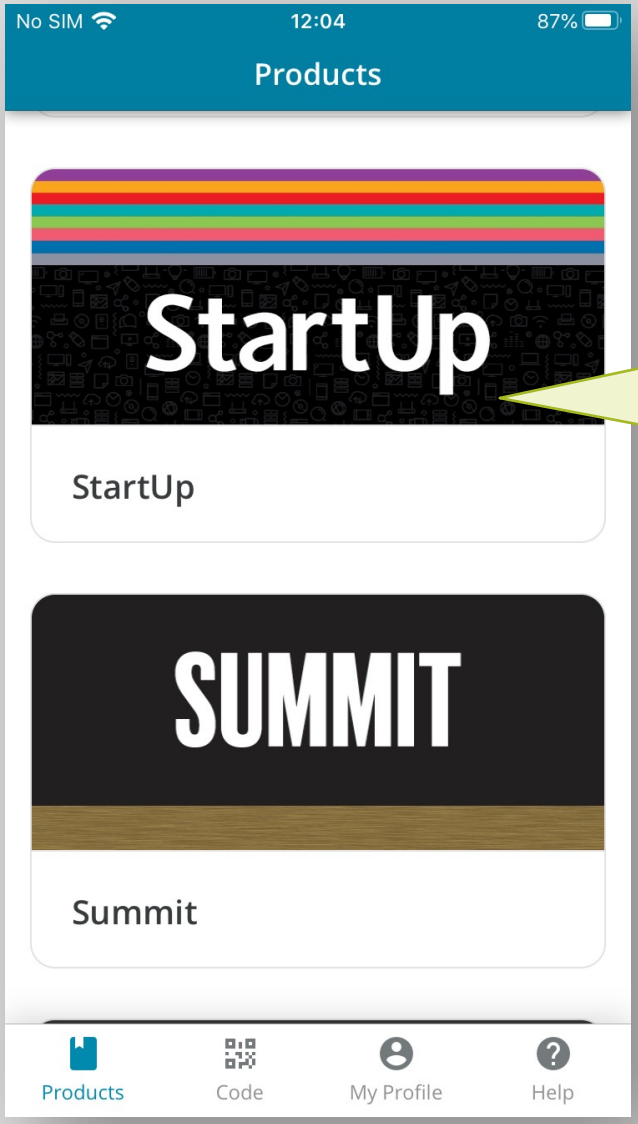
The access code is covered with silver foil, so that you scratch if off.



Include - (hyphen) in Access Code.

Tap CHECK CODE button after entering the access code.

The products appear in Pearson Practice English (PPE) app.



The page will automatically transfer to Product page after the access code verified. Here exist all the products that can be used in PPE app.

(Here StartUp as an example)
