Island for Sale

There are many **islands** in the sea near Scotland. This story is about one of these islands. The name of the island is Lana.

Lana isn't big, but it's very beautiful. It's very quiet, too. There are no houses or roads or cars on Lana. But there's a **castle**. The castle is very old.

A young Scotsman lives in the castle. The Scotsman's name is Duncan McTavish. Duncan lives in the castle with his **dog**, Jock.

Duncan is very happy on his island. He likes going for walks with Jock. He likes swimming and **fishing** in his little boat.

There are many big rooms in Duncan's castle. They have a lot of old things in them – pictures and heavy tables, chairs and beds.

In winter the castle is very cold and dark. Duncan puts on a lot of **electric** lights in all the rooms.
