

Fifty-Fifty Book 1: Unit 14 Worksheet (A)

OPENING SOON

You are going to open a new restaurant. Think about the type of restaurant you want to open. Choose its name and then develop a menu. The menu should include three appetizers / side orders, three mains, three desserts and three drinks. Write short descriptions for each.

Examples:

- **Ham wraps:** wedges of fresh melon, wrapped in thinly sliced raw Italian ham
- **Meat-lover's pizza:** Italian sausage, pepperoni, minced beef and grilled chicken served on a crispy pizza base
- **Death by Chocolate:** the Chef's special white chocolate ice cream served on a freshly baked chocolate brownie with hot homemade chocolate sauce
