

## Fifty-Fifty Book 2: Unit 11 Worksheet (B)

### ASK NORI-CHAN

**You write an advice column for a newspaper. Read letters 1 and 2 below and write a reply to each one. An example has been done for you.**

#### EXAMPLE

Dear Nori-chan,

I'm in love, but the problem is my boyfriend's dream for the future isn't the same as my family's idea of what my future should be like. I know my parents will never accept him because of this. What should I do?

Sincerely,

AT A LOSS

Dear AT A LOSS,

How do you feel about your boyfriend's dream? Is it similar to what you want for the future? I think you should have a heart-to-heart talk with your boyfriend. If you have different ideas about the future, perhaps you should find a new boyfriend who shares a similar dream to you.

Good luck!

*Nori-chan*

#### LETTER 1

Dear Nori-chan,

There aren't enough hours in the day. I have to go to school and study, but I also want to hang out with my friends. There are always more things to do than time. What can I do?

Yours,

#### LETTER 2

Dear Nori-chan,

I want to buy my friend a special birthday present, but I have no idea what to get. I want something my friend will really like, but that isn't too expensive. I need some advice.

Thanks,
