

Fifty-Fifty Book 2: Unit 1 Worksheet (A)

COULD YOU HELP ME?

You are travelling abroad. For numbers 1–10 below, write a person or a location where you might ask a question and write the question. (Write a different question for each person/location.) Then make a check (✓) if you have asked this question in English.

| | Person/Location | Question | Asked |
|-----|-------------------------|--------------------------------|-------|
| Ex | at a theater box office | What time does the show start? | |
| 1. | | | |
| 2. | | | |
| 3. | | | |
| 4. | | | |
| 5. | | | |
| 6. | | | |
| 7. | | | |
| 8. | | | |
| 9. | | | |
| 10. | | | |

For one question you have asked, write what happened. (Write about a time when you asked in your first language if necessary.) How did the person react? Did you get the information you needed? How did you feel?

Example: When I asked for the show time, the cashier at the ticket window said to look at the sign above the ticket window. I apologized for not noticing the sign, but he said it was OK and that everyone asks the same question.
