

## Fifty-Fifty Intro: Unit 11 Worksheet (A)

### I BOUGHT A NEW CELL PHONE

In the box below, write a “1” by the verbs that are present tense and a “2” by the verbs that are past tense.

<u>1</u> work	<u>1</u> buy ✓	___ have	___ called	___ hiked	___ walk
___ were	___ mail	___ walked	___ drove	___ swim	___ ate
___ hike	___ drive	___ swam	<u>2</u> worked	___ call	___ looked
<u>2</u> bought ✓	___ eat	___ had	___ are	___ look	___ mailed

Sometimes we add *~ed* to a present tense verb to make the past tense verb (*work, worked*). Sometimes the present and past tense verbs look very different (*buy, bought*). Match the present tense and past tense verbs. Then write the matched pair on the correct spider. Add two more pairs to each spider.

Write two sentences using present tense and past tense verbs to talk about your life.

**Present tense:** I call my boyfriend every day. It drives my father crazy.

**Past tense:** Yesterday, I bought a delicious chocolate cake and ate it after dinner.
