

## Fifty-Fifty Intro: Unit 12 Worksheet (B)

### KIM'S WEEKEND

You did a great job for the game company. They want you to help them make another card game. In the game, players take turns turning over two cards. If the question and the answer match, the player takes the cards. Look at the example in the cards below. Write questions for numbers 2–7 below. Then write questions and answers for numbers 8–10.
