

## Fifty-Fifty Intro: Unit 8 Worksheet (B)

### WHERE'S MY STUFF?

Six friends came home from a camping trip. Each person took two things home, but many took the wrong things! Read the description to complete the table.

Mary has her camping stove, but she wants her little tent. Allen doesn't have a flashlight now, but his is blue. Eleanor cannot find her canteen or her sleeping bag. A man has her sleeping bag. The woman with the canteen also has the blue flashlight. The man who doesn't have his compass has the green flashlight. One of the women has Patsy's forks. She also has Patsy's knives. Another woman has Mike's pots, but not his compass. Tom has both tents. The big tent is his, but he doesn't have his green flashlight. The man with the green flashlight has the camera.
