BONUS: Speaking Activity

- Are there any travel destinations that you **DON'T** recommend? Why?
- If money was no barrier, where in the world would you like to travel? Why?
- On vacation, do you prefer to do a lot of activities, or to relax?

ERIK'S LEARNING TIP

World English

English is spoken in many places around the world, and is useful when traveling. But the way it is spoken and used differs a lot. There's American, British, and Australian English...and many more. Try listening to a variety of "World Englishes"! As you do, try to guess where they're from.
