English Firsthand 5th Edition – Digital on-boarding guide

1. How to access Teachers Resources, Student Book eText, Audio and Video on Pearson English Portal (PEP)

- Get the **Teachers Access Code** from Pearson (Send the request [here](#) ↗)
- Access <https://www.pearsonenglish.com/register> and create your account. (Check the user manual [in English](#) ↗ / [in Japanese](#) ↗)
- Get your students to access Audio and Video through the following steps:

- ▶ Get them to create their own account on the same platform (<https://www.pearsonenglish.com/register>) using the access code available on the back of the student book front cover.
- ▶ If their Student Books don't have the access code, send the request to [here](#) ↗
- ▶ If your students already have their own accounts on PEP, get them to add the access code on their accounts.

2. How to activate MyMobileWorld for your classes (only available for those who adopted the component.)

If students create their accounts by themselves

- Get the **Teacher Access Code** from Pearson (Send the request [here](#) ↗)
- Access <https://efhonline.english.com/> and create your account. (Check the user manual [in English](#) ↗ / [in Japanese](#) ↗)
- Create a course per class and pass on **the course ID** to the students. (Check the user manual [in English](#) ↗ / [in Japanese](#) ↗)
- Check if your students enroll the individual courses on the platform.

If you create all the students accounts via batch registration

- Conduct the batch registration and share the **individual usernames and passwords** with your students. (See [the tutorial video](#) ↗)
- * Don't dispose the template you used for the batch registration in case your students lose the password.
- Check if your students enroll the individual courses on the platform.
