

Pearson Practice English (PPE) app

How to use PPE app

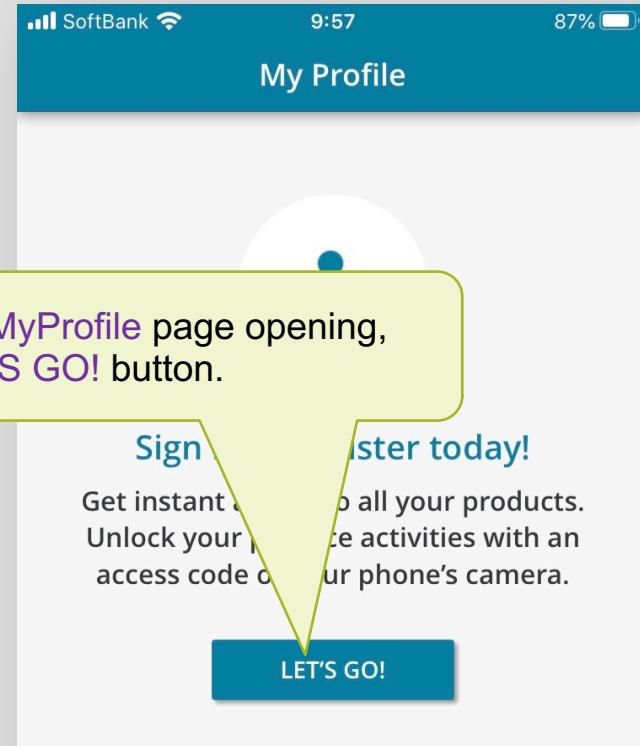

Log into PPE app

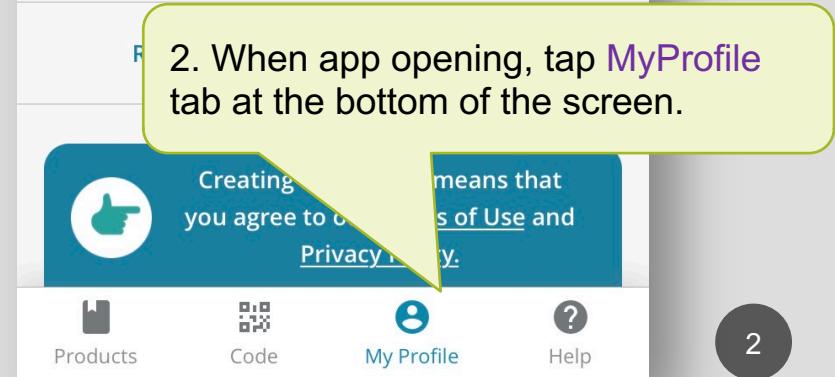

1. Tap Pearson Practice English (PPE) icon.

3. After MyProfile page opening, tap LET'S GO! button.

2. When app opening, tap MyProfile tab at the bottom of the screen.

Sign-in page opens in Pearson Practice English (PPE) app

The screenshot shows the sign-in screen of the Pearson Practice English (PPE) app. At the top, there is a status bar with signal strength, 'SoftBank', time '9:57', battery level '86%', and a 'Sign in' button. Below the status bar is a teal header with the Pearson logo (a blue circle with a white 'P') and the word 'Pearson'. The main area has 'Username' and 'Password' fields with an 'Eye' icon for password visibility. A 'CONTINUE' button is in a teal box. Below it is a link 'Forgot your password?'. To the right, a message says 'You're registered' and 'Unlock your practice activites'. A 'SIGN OUT' button is also present. At the bottom, there is a footer with icons for 'Products', 'Code', 'My Profile', and 'Help', and a note about agreeing to 'Terms of Use' and 'Privacy Policy'. Several callout boxes provide instructions:

- 1. Enter your registered username and password, and tap **CONTINUE** button.**
- * PPE allows users to stay signed in, though the mobile rebooted, unless users sign out.**
- We recommend that you sign out and sign in again, if new version of PPE is released, or you have another account to access.**
- 2. After signing in, tap **Products** tab.**

Log into PPE app

* Here StartUp as an example among the products in PPE.

1. Find a **Level** that you want to study in **StartUp** and tap it.
(Here Level 5 as an example)

2. Find a **Unit** that you want to study in **Level** and tap it.
(Here Unit 6 as an example)

This image shows a smartphone screen displaying a reading comprehension question. The question asks about DNA evidence found on TV versus in real life. Two options are provided: "did" and "don't". A callout bubble from step 7 points to the "SUBMIT" button at the bottom right of the screen. The top of the screen shows device status like signal strength, time (15:36), battery level (100%), and a score of 0 / 0.
