Registering an account

Before the student begins a journey with the Pearson English Portal we recommend checking if their device meets the [system requirements](#).

To start using the Pearson English Portal a student needs:

- **an e-mail address** and
- **a student access code**. The access code might come with your textbook, from your school, or in a separate kit. You can also contact your local Pearson Representative or distributor by visiting our [website](#).

To register an account:

1. Go to: pearsonenglish.com/register
2. Choose your preferred language **[A]** and click **Create an account**. If you encounter any issues, click on the **Help [B]** icon to access the help site.
3. Select **Create adult account [C]** or **Create child account [D]**.

***Note:** If you are a young learner, please ask your parent or a teacher to create an account for you.*

3 Signing in

To sign in to the Pearson English Portal student account:

1. Go to pearsonenglish.com/login
2. Enter student **Username** and **Password**.
3. Click on the **Sign in** button

Note: If you forget your password, click on the **Forgot your password?** link or click [here](#) for instructions.

The screenshot shows the Pearson English Portal sign-in interface. At the top right, there is a language selector showing 'English'. The main heading is 'Sign in' with a help icon. Below the heading are two input fields: 'Username' and 'Password'. The 'Username' field has a yellow circle with the number '2' next to it. The 'Password' field has a 'Show' button. Below the password field is a link for 'Forgot your username or password?'. A large yellow 'Sign in' button has a yellow circle with the number '3' next to it. Below the button, there is a line of text: 'By signing in, you agree to our [Terms of Use](#).' At the bottom, there is a section for 'New to Pearson?' with a 'Create an account' button.

4 Adding a product

Students need to add a product to their account to be able to fully use the Pearson English Portal.

To add a product to an account:

1. On your Dashboard, click on either the **Add New Product** button or **add a new product** link [A].
2. Enter your **Access Code** and click the **Activate** button. If you use a device with a camera, you will also see the option to add a product by scanning the **QR code**[B]. You may also return to the **Dashboard** [C].
3. Click the **Go to Products** button.

Use an Access Code

A product access code might come with your textbook, from your school, or in a separate kit. It looks similar to this:

XXXXXX-XXXX-XXXXX-XXXX-XXXX-XXXX

Access Code

2 EESJFR-PASHM-VETCH-BLOBS-SOTTO-1 ✓

or click the QR code icon

and then scan it with your camera
