

eText - How to register (for students)

⚠ Please use either **Google Chrome or **Safari**.**

1. Open www.pearsonelt-etext.com in your browser and click the "Create an account" in the First time user.

2. Change the language as seen below if you prefer another language.

3. Create an account. Click "Create an account" and choose Adult account.

The left screenshot shows the Pearson 'Sign In' page. It features the Pearson logo at the top, followed by 'English' and 'Help' links. Below the logo is the 'Sign In' heading. There are two input fields: 'Username' and 'Password'. Below these is a blue 'SIGN IN' button. At the bottom, there is a link 'Forgot your password?' and a link 'New to Pearson? Create an account' which is highlighted with a red box. A footer note states 'By signing in, you accept our Terms of Use'.

The right screenshot shows the 'Choose account type' page. It features the Pearson logo at the top, followed by 'English' and 'Help' links. Below the logo is the 'Choose account type' heading. There are two main options: 'Adult account' and 'Child account'. Each option has a description and a 'CREATE' button. At the bottom, there is a link 'Already have an account? Sign in'.

4. Fill in the required information.

- * Please remember your username and password. You need them every time you access.
- * Choose Japan as your country.
- * For user name, use only small letters, numbers and special characters: . (dot) _ (underscore) - (hyphen) or @ in Username.

(If the error message "User with this login already exists" shows up here, the username has already been taken in our system. It is recommended to use your own email address as your username.)

The screenshot shows the 'Create an account' page. It features the Pearson logo at the top, followed by 'English' and 'Help' links. Below the logo is the 'Create an account' heading. There are two main sections: 'Personal Information' and 'Account Information'. Each section contains several input fields and dropdown menus, all of which are marked with green checkmarks, indicating they have been successfully filled out.

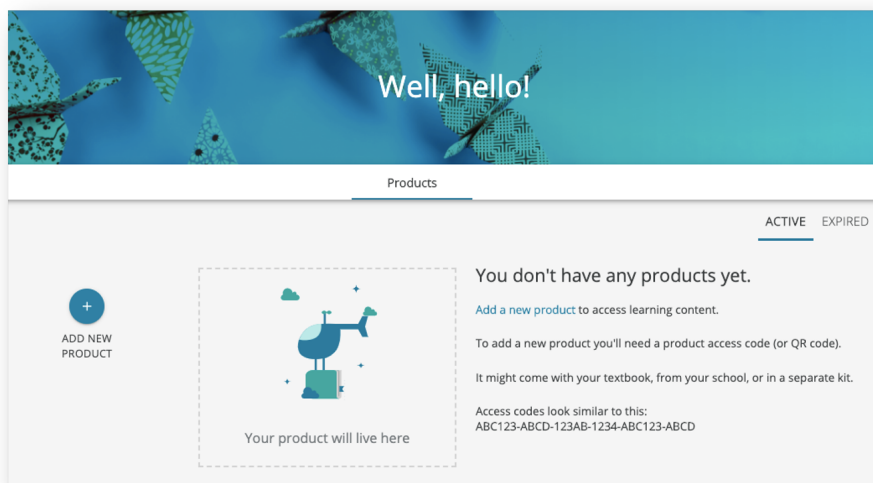

5. Once you fill in all the required information, the CREATE ACCOUNT button would be enabled. Please click the button.

- * For password, enter 8 to 32 small letters including at least one number or special character. It cannot contain blank spaces, your name or your username.

- * Tick the box next to “I’m not a robot”

The screenshot shows a registration form with fields for Email address, Password, and Confirm Password, each with a green checkmark icon. Below these are two optional checkboxes: "Keep you updated with information about our range of products and services..." and "Send you our monthly newsletter...". At the bottom is a reCAPTCHA challenge with a checkbox labeled "私はロボットではありません" (I am not a robot) and a "reCAPTCHA プライバシー・利用規約" (reCAPTCHA Privacy Policy) link. A blue callout bubble points to the reCAPTCHA checkbox with the text "Tick the box next to 'I'm not a robot'". Below the form is a "CREATE ACCOUNT" button, a link for "Already have an account? Sign in", and a disclaimer: "By signing up you agree to [Pearson's term of services](#) and [privacy policy](#)."

6. Add a product after creating the account. Click “ADD NEW PRODUCT”.

7. Enter the access code of the product.

- * Include - (hyphens) in access code.
- * After entering the access code, click “ACTIVATE” button
- * You can find an access code on the back of the cover of the book you purchased. The access code is covered with silver foil, so that you scratch it off.

Add a product

Enter an access code

A product access code might come with your textbook, from your school, or in a separate kit. It looks similar to this:
XXXXXX-XXXX-XXXX-XXXX-XXXX-XXXX

Access code

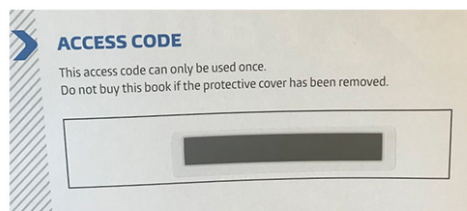

Or scan a QR code

If you have a QR code, you can scan it with your device's camera.
