

ABOUT THE TASK

- In Reading and Use of English Part 1, you read a short text with eight gaps.
- There are four multiple-choice options for each gap.
- You choose the word or phrase that best fits each gap.
- The gaps can test your understanding of differences in meaning between similar words, for example, **found**, **invent** and **discover**. They can also test your knowledge of words that collocate with particular prepositions, or words that occur in fixed phrases.
- They also test your knowledge of verb patterns, for example whether a verb is followed by an infinitive or a clause.
- Some gaps test your knowledge of phrasal verbs and linking words.
- Each question is worth one mark.
