UNIT 2: SKILLS TEST B

READING

Read the post and answer the questions.

Task 1

Write the correct answer in each gap. Write one word for each gap.

Do you spend lots of evenings playing computer games? Perhaps you **(11)** getting bored and you want another interesting hobby? It's great to play games, but it's also great to make **(12)** ! Our club is for 13–18-year-olds and our members learn **(13)** create video games. We meet every Thursday evening after school. We ask expert games designers to come and talk to us. **(14)** teach us how to design great games.

Some technology teachers from school also come to help. Our club is free! So come on Thursday and you can have an amazing time.

Perhaps you want to design computer games in **(15)** future! It starts here! One member, Tim Parker, now works for a games company! Tell all **(16)** friends and visit our website now!

Gemma

This is a great idea. I love playing and talking about games. Thursdays are good for me. My friend Sasha wants me to join. She thinks it's a cool club. She says that the people are fun and the teachers help a lot. It's good to meet other people with the same interests.

Carl

I go to a games club in the town centre on Saturdays. It's OK. We play games and talk about computers. But I'd like to learn skills for making games. I think this club is cool and I'd like to join!

Lulu

I love this club. It's amazing. I want to design computer games for a career and now I know a lot of useful things. Tim Parker's new game is brilliant!
