What your score says about you

Mostly As

You can definitely live without technology! It's good that you don't spend too much time on your phone or online, but it's OK to use technology sometimes.

Mostly Bs

You like technology, but there are lots of other things in your life. You have time for friends, sports and hobbies. Well done!

Mostly Cs

You can't live without technology – or so you think! You should try to take a break. The real world can be exciting, too!
