A Day at the Beach

We put a big sun hat on his head. We also put a lot of sunblock on him. It was hot so we went swimming.

2 Suddenly, we heard a man calling for help. It was Grandpa! We ran over to him and quickly dug him out of the sand. When he stood up and took off his hat, we all started laughing! The bottom half of his face was brown and the top half was white! We stayed at the beach all day and went home at sunset. It was a great day.
