The world of the Corner Shop

Which shop will you go to when you need something quickly, or when you want to spend your pocket money? Do you have to go to a supermarket or a shopping centre? Or will you go to a corner shop, where it's quick and easy to get what you need?

ost corner shops sell sweets, food, drinks, newspapers and magazines. In the UK, corner shops also sell stamps, cleaning products and stationery, such as pens and birthday cards.

In Australia, a traditional corner shop is called a *milk bar*. In New Zealand, it's called a *dairy*. In the past, milk bars and dairies sold a lot of milk and ice cream, and some were also cafés where you could eat and drink. Now they usually sell a lot of different foods and drinks, as well as milk and ice cream.

n North America, there are many different names for corner shops! In New York, a corner shop is often called a *bodega*. In other parts of the USA, it's a *convenience store*. In Canada, it's a *corner store*.

There are many names for corner shops, but one thing is the same: we all buy things from them!

Hi Izzy!

Guess what? On Saturday I saw a store detective catch some thieves! It was amazing! In the sports shop near us there were some trainers which I really wanted. For months I saved my pocket money. Finally, on Saturday Dad and I went to buy them.

Dad and I were waiting for the shop assistant when a man and a woman came into the shop. We saw them put some expensive trainers into their bags before the shop assistant came out of the storeroom with the trainers for me. They were thieves!

I didn't know what to do. Then I noticed the woman nearby. She took out her purse, which had a lot of money in it. She opened her purse and counted the money loudly. The thieves watched her. Then she dropped her purse! As she walked away, she kicked it into the storeroom.

The thieves went straight into the storeroom to get the purse. Then the woman suddenly came back, quickly shut the storeroom door and shouted for help. It turned out the woman was a store detective! The police came and took the thieves away! Can you imagine???

Love,

Tom

Hi Olenka.

You asked for some advice about good places to shop in my city.

On Jacinto Street there are a lot of great shops and there's also a market where you can buy delicious food. There's a fishmonger's, a butcher's and a greengrocer's at the market. I love the apples and pears which you can buy from the greengrocer's! There's a big shopping centre where you can buy clothes and presents. There are gift

shops, a jeweller's, shoe shops and a big toy shop which is called Pablo's Toys. My favourite shop is the toy shop, of course! You'll have to bring all your pocket money!

Love from Maria

tip Writing

We use an apostrophe after some shop names. That's because the greengrocer's is short for the greengrocer's shop = shop of the greengrocer. Write an email to a friend suggesting some shops to visit where you live.

Plan .

- Which shops should he/she visit?
- Are the shops at a shopping centre, at a market or on a street?
- What special things can he/she buy there?
