Assessment for Learning

- Setting aims and criteria: lesson objectives presentation
- Monitoring students' learning: Lollipop stick technique
- Peer learning: pairwork; groupwork; Think-pair-share technique
- Independent learning: Thought-provoking questions technique; Summative questions technique; portfolio

Starting the lesson

- Give ss one minute to write as many words from Units 1–3 as they can remember.
- Ss check their spelling by referring to their Pupil's Books.

Presentation

- Explain that in this lesson ss will learn about jobs at home.
- Direct ss to the unit objectives at the bottom of the page and have them read it.

Practice

Pupil's Book

- 1 **Work in pairs. Look at the WOW! Magazine Welcome page. Then read and answer.**
 - Ask ss to look at page 48. Ask which of the jobs they do at home.
 - Use the Lollipop stick technique to have a student read the sidebar content.
 - Place ss in pairs and have them discuss the question for two minutes. Have ss say their ideas to the class.
 - **Extension** In small groups, ss write different ways of making homes a happy place.

2 4.1 Look and match. Then listen, check and repeat.

- In pairs, ss say and point to the words they know for one minute.
- Then say all the words in the pictures at random for ss to point to them. Use the Lollipop stick technique to have a student describe or say something about the picture.
- Play the audio and ss do the matching.
- **Extension** Ask ss to close their books. Say the first part of the new vocabulary words for them to say the second part. Say *clear*. Elicit *the table*. After a few rounds ss continue in pairs.

Diversity

Support

- Place ss in pairs. Give each pair twelve index cards. Have ss write the verb of the word on the front of the card and the noun on the back, e.g. *cook/the dinner*. Then the pairs join another pair. They mix their cards up and pull a card to show their group, who then have to say the complete word.

Challenge

- Have ss use the new vocabulary to write a small paragraph about the jobs they do at home. Place work in portfolio.

Extra activity Critical thinking

- Use the Thought-provoking questions technique to have a short class discussion on why it is important to help with the chores at home.

3 4.2 Listen and read. Which jobs does Bobby do? Which ones does he like? Which does he hate?

- Ss read along to the text, find the answer and check with their partners.

4 Work in pairs. Look at the jobs at home on pages 48 and 49 and answer the questions.

- Use the Think-pair-share technique to complete the activity.
- **Extension** Ask volunteer pairs to do the activity in front of the class.

5 Which jobs do you like? Which do you hate? Write the jobs in order from the best to the worst. Compare your list with your partner.

- Remind ss that after *like* and *hate*, the main verb takes on the *-ing* form. Write *I like cooking the dinner, I hate washing up.* on the board.
- Have volunteer ss read their lists to the class. Vote for the favourite job and the job ss like least.

Activity Book

1 Read and circle the correct words.

- Have ss say the words from the new vocabulary.
- Check answers as a class.

Answer key 2 dust, 3 tidy up, 4 vacuum, 5 water, 6 take

1 Work in pairs. Look at the WOW! Magazine Welcome page. Then read and answer.

2 4.1 Look and match. Then listen, check and repeat.

tidy up 11 clear the table 7 vacuum the carpet 8 dust the furniture 3 sweep the floor 7
do the washing-up 12 empty the bin 4 put away the clothes 5 load the dishwasher 6
cook the dinner 2 water the plants 10 take the dog for a walk 9

3 4.2 Listen and read. Which jobs does Bobby do? Which ones does he like? Which does he hate?

He tidies his room, clears the table, loads the dishwasher, does the washing-up, (last week he cooked dinner), puts away the clothes, waters the plants, takes the dog for a walk. He likes matching socks, watering the plants and taking the dog for a walk. He hates tidying his room.

Bobby 45 minutes ago

Hi guys! Who empties the bin in your home? I'm doing a survey to find out what jobs children do at home. My mum thinks other children help more often, but I'm not so sure. My dad empties the bins, but my mum vacuums the carpets and cleans the bathroom. My sister sometimes dusts the furniture and we both have to tidy our rooms. I'm very untidy so I hate tidying my room. At dinner time we have to clear the table and load the dishwasher or do the washing-up. I cooked the dinner last Friday, but I did it so badly that nobody asked me to do it again! We help put away the clothes, too. I like matching socks, but why is there always one extra sock?

My favourite jobs are outdoors. I water the garden plants in the summer and I take the dog for a walk after school nearly every day.

What about you? How do you help at home? Send me a message!

4 Work in pairs. Look at the jobs at home on pages 48 and 49 and answer the questions.

- 1 Which jobs do people do in the kitchen?
- 2 Which jobs do people do outdoors?
take the dog for a walk, water the plants, empty the bin
- 3 Which jobs do you sometimes do at home? *students' own answers*

clear the table, load the dishwasher, do the washing-up, cook the dinner, empty the bin, sweep the floor

5 Which jobs do you like? Which do you hate? Write the jobs in order from the best to the worst. Compare your list with your partner.

I like cooking dinner.

I hate tidying my room.

2 Look at the pictures. Complete the sentences.

- Have a student say what they see in the pictures.

Answer key 2 sweep the floor; 3 empty the bin; 4 cook the dinner; 5 load the dishwasher; 6 clear the table

3 Read the I'm learning box. Then read and complete the sentences for you. Use phrases from this lesson and your own ideas.

- Ask a student to read the box aloud. Explain that adverbs of frequency always go before the verb.
- Ss work individually to complete the activity.
- Ss read their work to their partners.

4 Write three or more sentences about you and your family. What jobs at home does each person do? Use the adverbs in the box.

- Have ss read their sentences to the class.

Finishing the lesson

- Use the Summative questions technique to ask ss which part of the lesson they found the most interesting.

Objectives

- **Lesson aims:** to read and understand a dialogue in a kitchen
- **Target language:** *Surprise! Hang on! What a mess!*

Materials

- sheets of A4 paper, enough for each student

Assessment for Learning

- Setting aims and criteria: lesson objectives presentation
- Monitoring students' learning: Lollipop stick technique; Stop/Go technique
- Peer learning: pairwork; groupwork
- Independent learning: Summative questions technique; portfolio

Starting the lesson

- Tell ss you are going to say new vocabulary words, but they could sometimes be incorrect. If ss hear an incorrect word, they raise their hands to correct you.
- Say *tidy up*. Ss do nothing. Say *vacuum the plants*. Ss raise their hands. Elicit *vacuum the carpet* or *water the plants*.

Presentation

- Explain that in this lesson ss will read a dialogue about a surprise birthday party plan and its jobs.
- Write *Surprise! Hang on! What a mess!* on the board.
- Ask ss when these exchanges are used.

Practice

Pupil's Book

1 4.3 Listen and read. Why are they tidying up? What's the surprise?

- Ask ss if they like surprise parties and if they've ever planned one.
- Play the audio for ss to read along to. Elicit the answer.
- **Extension** Ask ss to think of times when they have made a mess at home. Have ss tell the class their experiences.

Diversity

Support

- Ask questions about each line of the dialogue. For the first line ask *Is the room tidy? (No, it's a mess). What do they have to do? (Tidy up). Why must they hurry? (Because Lara is on her way).*

Challenge

- Ss rewrite the dialogue with different chores on an A4 sheet of paper. They read their work to the class. Place work in portfolio.

2 Work in pairs. Read the dialogue again and answer the questions.

- Have ss say what the dialogue is about.
- Using the Stop/Go technique, ask ss if they have understood the text enough to continue with this activity.
- Ss complete the activity individually. Check answers as a class.
- **Extension** Ss make three false statements for their partners to correct.

3 Work in pairs. Find these expressions in the dialogue. Then use the expressions and act out the dialogues.

- Ask ss to raise their hands when they have found all the expressions. Choose random ss to read the exchange using the expressions aloud.
- Use the Lollipop stick technique to have pairs come to the front and act out their sentences.
- **Extension** Have ss write three small exchanges with the new expressions.

4 Imagine you're planning a surprise party. What jobs do you have to do? Talk to your partner and write a list.

- Use the Lollipop stick technique to have ss read their lists to the class.

Extra activity Communication

- Place ss in small groups and have them play a quick game of *Who said what*. Tell ss they say a sentence or a phrase from the dialogue and their group members have to say who said it. Ss read three sentences each in random order.

Activity Book

1 4.4 Complete the sentences from the dialogue on Pupil's Book page 50. Who says them? Write. Then listen and check.

- Have ss quietly read the word box and prompts before completing the activity. Check answers as a class.

Bobby/Ting/Arlo: **Surprise!** Happy birthday!

Lara: Oh dear! Erm ... my birthday is next week!

Bobby/Ting/Arlo: Oh no!

Arlo: Well, you can help us tidy up!

1 **4.3** Listen and read. Why are they tidying up? What's the surprise?
They have made a cake and the kitchen is a mess. They made the cake as a surprise for Lara's birthday.

2 Work in pairs. Read the dialogue again and answer the questions.

- 1 Why have they made a cake?
They think it's Lara's birthday.
- 2 Who loaded the dishwasher?

- Remind ss of regular and irregular verbs.

Practice

Pupil's Book

- 1 **Look back at the dialogue in Lesson 2. What have they done? What haven't they done?**

- **Target language:** collocations: verb + noun

Materials

- dice

Global Scale of English (GSE)

- **Reading:** Can identify specific information in a simple story if guided by questions (GSE 35). Can infer unstated information in simple stories or descriptive texts, if guided by questions and prompts (GSE 53).

Assessment for Learning

- Setting aims and criteria: Key question technique; lesson objectives presentation
- Monitoring students' learning: Lollipop stick technique; True/False response cards technique
- Peer learning: pairwork; groupwork
- Independent learning: Three facts and a fib technique; portfolio

Starting the lesson

- Use the Key question technique to have ss say how reading texts can help them with their English. Ask *How do texts teach us language? Do you study texts in your native language? What do you learn from them? Do you learn the same things from English texts?*

Presentation

- Explain that in this lesson ss will read a playscript.
- Have ss look at the layout and ask them to say how it is different to a dialogue (*it has scenes*).
- **Extension** Ask ss if they have ever seen a play and if they enjoyed it.

Practice

Pupil's Book

- 1 **Before you read** Today's Book Club text is a playscript. Look and circle the words that describe a playscript. Then answer.
 - Ss do the activity in pairs.
 - **Extension** Ask ss why they think plays are set up in scenes.
- 2 **4.9 Listen and read. Then answer the questions.**
 - Use the Lollipop stick technique to elicit answers.
 - **Extension** Use the True/False response cards technique to quiz ss on the text by making different false statements about it for ss to correct.
- 3 **After you read** Activity Book, page 45.
 - Refer ss to the Activity Book to do Activities 1 and 2.
- 4 **Discuss in groups.**
 - **Extension** Discuss question 2 as a class.

- 5 **Work in groups. Write four more scenes, between scene 4 and scene 5, where Anansi meets four more friends. Their names are in the Cast at the top.**

- Have a class discussion on what other things could happen in the play.
- Place ss in small groups. Have groups complete the activity and act out their endings to the class.

Diversity

Support

- Explain to ss that scenes are quite short. Give weaker ss only one scene to write.

Challenge

- Have ss write another ending for the play.

Extra activity Creativity

- Explain to ss that the play answers why spiders have long legs. Ask ss what other queries they have about animals. Start by writing on the board *Why do giraffes have long necks? Why do elephants have long trunks?* Elicit seven more ideas and write them on the board. Number them 1–9. Place ss in groups and have them roll a die. The number on the die shows the statement from the board they take. Ss then write a short play or story to explain the story of that animal. Groups present their work to the class.
- Place work in portfolio.

Activity Book

- 1 **After you read** Read the play on Pupil's Book page 52 again. Who says these lines? Write.
 - Ss complete the activity in pairs.
 - Check answers as a class.

Answer key 2 Kiki, 3 Narrator, 4 Ronny, 5 Anansi, 6 Henry
- 2 **Read the sentences and circle T (true) or F (false). Explain your answers.**
 - Ss work in pairs. Have ss read out their answers.

Answer key 2 T – Kiki says 'I have to sweep the floor'; 3 F – He says Anansi can help him boil them.; 4 T – Lulu says 'I've added salt and pepper'; 5 T – In the park, Anansi was feeling hungry.; 6 F – Anansi's legs were growing longer and thinner because everyone was pulling them.
- 3 **Read the Work with words box. Then look and make collocations.**
 - Explain that we can use verbs and a noun to make a new word. These are called collocations.
 - Have ss give some more examples of collocations from the playscript on Pupil's Book, page 50 (*baked a cake, sweep the floor, lay the table*).
 - Ss complete the activity. Write answers on the board.
 - **Extension** Ask ss to make new collocations for *feed, make, read* and *write*.

Answer key 2 the cat, 3 the table, 4 sandwiches, 5 a story/stories, 6 the letter
- 4 **Write five sentences about you, your friends and your family. Use the collocations in the box or any other collocations you know.**
 - Have ss read out their sentences to the class.

We eat a big roast dinner every Sunday. My favourite is roast chicken with roast potatoes and vegetables. The kitchen smells lovely. It's the only time when the whole family sits down to talk and eat together. We usually help cook the dinner and clear the table after we've finished.

We made fruit salad at school. It was easy. We chopped lots of different fruit and mixed them in a bowl. Then we added orange juice. There were so many colours. It looked beautiful. It tasted good, too, but we didn't have enough spoons, so I had to use a fork!

I've already read lots of Anansi stories, but I haven't seen a playscript before. We acted out the play about Anansi and his long, thin legs. We wore animal costumes. I was the spider. My costume had eight long legs that got longer and longer at the end of the story.
