Subject: Spain!

Hi Matt,
I'm having a great time here in Spain. I'm staying with the Torres family this summer. They've got a beautiful home in Madrid.
Carlos is twelve. He's shy but he's very kind. He's clever, too. My Spanish isn't very good but he speaks great English. He's got a granny in Los Angeles and she speaks English with Carlos. He's got two sisters, Nerea and Lucía. Nerea is fifteen. She's got beautiful brown hair and she's very sporty. She isn't at home this week because she's got a big tennis competition. Lucía is nine. She's funny but she's very bossy. She wants to play games all the time!
See you soon,
Seb

Kyle's blog

In Britain, we've got a lot of different families – some are big and some are small. My family is quite big now. My mum has got a new husband and he's great. He's very clever and he helps me with my homework. He's got two sons so now I've got two brothers. We play football together every Saturday. We argue but, after five minutes, it's all OK! They're my brothers and my good friends.

Lang's blog

A lot of families here in China have got only one child. My friends and I haven't got brothers or sisters but we aren't sad. Brothers and sisters can be bossy! We can do what we want. We've got a good life and we've got very good friends. I live with my mum and dad, and my granny and grandad. It's fun because my granny plays games with me. I love my small family.

James's blog

My friends have small families but I've got a mum and dad, six sisters and nine brothers. The big children help the small children. My sister, Jill, is seventeen and she helps me with my homework and music practice. She's bossy but she's nice, too.

Our house is big. We've got a very big kitchen and there are four bathrooms in the house. We've got three washing machines for all the dirty clothes. Big families are great!
