Scouts from all around the world, from Spain to Italy.  
We're travelling together, from the mountains to the sea.  
We walk for miles and learn every day.  
We read a compass and find our way.

Chorus:

Oh, we are adventure scouts, here is our song.  
With adventure and new friends, you can't go wrong.  
You can't go wrong.

At the end of the day, we're back to camp again.  
We're pitching our tents, they keep out the rain.  
We're putting in the pegs and laying out our beds.  
We're sleeping in sleeping bags that cover our heads!

Chorus

All this adventure is making us fit and strong.  
We're cooking our food which doesn't take too long.  
We're eating our dinner and then we're so tired.  
We're sleeping in tents all around the fire!

Chorus

## 11 Read. Where was Flo yesterday?

1st July

Dear Mum,

How are you? It's our fourth day at camp and we're having a great time. We've got some new friends too – they're from Spain and Argentina. They're teaching me Spanish but I'm not very good at it!

Our first day was great. There was a big dinner to welcome everyone and there were songs by the campfire. Our tent was cold but it was warm in the sleeping bag.

Yesterday, we went for a walk in the forest next to the camp. The trees were very tall and there were a lot of cool animals there. Here's a photo of me with my new friends.

Love to you and Dad,

Flo

## Bear Grylls

Bear Grylls is a mountaineer and adventurer. He went up Mount Everest when he was just twenty-three years old! Bear usually lives in Britain but sometimes he lives in the desert, the mountains or the jungle. He is also Chief Scout of Scouts UK. **Send in your questions to Bear.**

### 1 What do you like doing?

I like playing the guitar, running, doing yoga and playing with my children.

### 2 Do you like living in the jungle?

I love jungles but they're difficult to live in. There are often a lot of snakes and insects. Sometimes I sleep up a tree and when it rains, it's horrible.

### 3 Where is your favourite place?

An island in Indonesia. I love visiting islands but this one was really beautiful.

### 4 What do you do before an adventure?

I always learn a lot about where I want to go – I learn about the plants and animals. I train six days a week and I run and do yoga, too.

### 5 Are you scared of anything?

Yes, I'm scared of high buildings and mountains but I just stay calm. It isn't easy.

Camping in Thailand is great fun. My favourite place is a national park called *Khao Sam Roi Yot*. *Khao Sam Roi Yot* means the mountain with 300 peaks. The mountains are very difficult to climb. There are a lot of things to see around the park. I like watching the lovely birds and other wild animals like deer and squirrels. There are a lot of interesting **caves**, too. Thailand is an exciting place!

Alak, 12, Thailand

Death Valley National Park in California is a great place for **desert** camping. It's a large park in the USA. It's very hot there in the summer. I usually visit Death Valley in the spring with my family. I love riding my **bike** on the paths in the mountains. Mountain biking is difficult but it's very exciting. My dad likes making big campfires in the evening. He likes cooking our dinner on the fire. There are many types of snakes, lizards and birds in Death Valley. It's never boring in the desert!

Vulcano is a small volcanic island in Italy. I like camping there in the summer with my grandparents. We sleep in a small cabin in the forest. During the day, my grandad rides a motorbike around the island. I like hiking to the top of the volcano. My granny likes walking on the black sandy beaches near the sea. There is special **mud** in Vulcano that is very good for your skin. Some people like putting the mud on their bodies. I love visiting Vulcano!
