

1. In Mexico, kids eat

.....

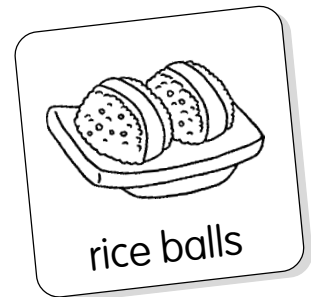

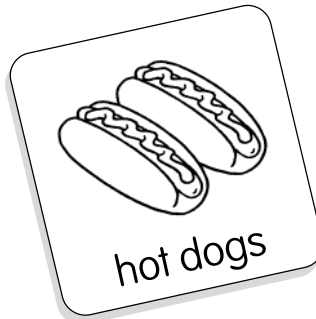

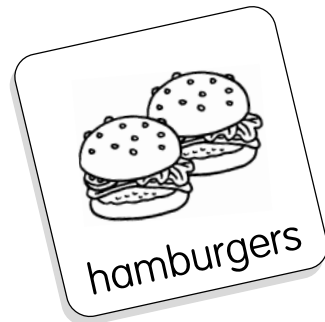

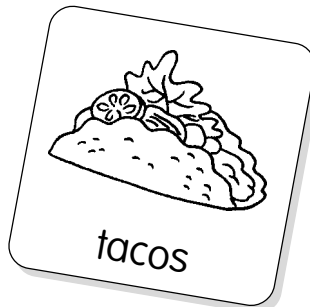

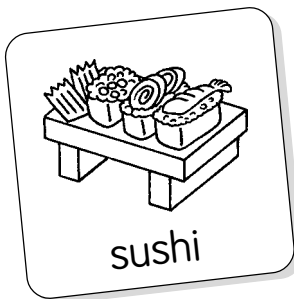

2. In Japan, kids eat

.....

3. In the U.S., kids eat

.....

Teacher's instructions

Prepare photocopies for each student in advance. Hand out the worksheets. Have Ss look at the six pictures at the bottom of the page and match one of the pictures with the picture of that country. Have Ss write one of the words to complete each of the three sentences. Give Ss time to complete the sheet. When Ss are ready, ask them to share their pictures and sentences with the rest of the class.
