E2 LANGUAGE

Global Online Test Preparation Platform

Transform your institution with world-class content in a one-stop digital test preparation solution!

Introducing the **Global Online Test Preparation (GOTP) Platform**, created in partnership with E2Language. The digital platform contains everything needed for students to practice PTE Academic, IELTS, TOEFL and OET exams.

Benefits:

- Gives institutions a complete digital classroom.
- Gives teachers blended learning tools, ready-made lessons and materials.
- Gives students a state-of-the-art platform, world-class content (both in class and for self-study), and online classes.
- Gives school administrators a blended and digital-first proposition and complete control.

For students:

- Hundreds of hours of interactive practice material for PTE Academic, IELTS Academic, IELTS General, TOEFL and OET for Nurses/Doctors.
- Exam strategy and methodology lessons.
- Speaking and writing assessments marked by teachers.
- Live group classes and 1:1 tutorials and other meetings.
- Live class recordings.
- Exam vocabulary and skill building course: Test Ready.
- Pronunciation and speaking course: SpeakingLab.

For teachers:

- A teacher-led platform for student success.
- A fully online student management system.
- 100s of hours of ready-made test-prep lessons across all tests and all skills.
- Efficient assessment marking with auto-rubrics based on exam criteria.
- Automated scoring for reading and listening.
- Easy live class and tutorial scheduling.
- Internal messaging system for individual students or whole classes/courses.
- At a glance analytics to track student performance.
- 'At risk' students automatically flagged.

For administrators:

- Teacher management system.
- Student management system.
- Live class management and scheduling.
- Internal messaging system.
- Course publishing/offering tools.
- A digital language school in a box.

A one-stop digital solution
