

LIVE CLASSES

Step-by-Step guide

What are the technical requirements to join **LIVE CLASSES**?

To ensure your students will fully benefit from the *LIVE CLASSES* experience, please arrange the following:

RELIABLE INTERNET CONNECTION

A reliable Internet connection is the key success factor for the project. Please make sure you have a good connection before registering for the project.

TECHNICAL DEVICES

For best *Live Classes* experience (recommended)

- TV / projector / interactive whiteboard (connected to the laptop if not integrated)
- Webcam
- Microphone
- Speakers (internal or external) for sound

Also possible (for groups up to 10 students)

- A laptop with integrated camera and internal microphone
- A desktop with external camera and external microphone

CLASSROOM SETTING

Your students should be sitting together in a group in front of the screen, close to the microphone.

How to enter the **LIVE CLASSES** project

Live Classes is a **free, open-to-everyone** opportunity to join an international class led by a highly-qualified and experienced English teacher

Take part in 3 easy steps:

1. **Choose the best class** for your students, considering their language level and convenient dates & times.
2. **Register** your class to book a space for the *Live Class* – you are registering the whole group, not individual students and need to share your personal details.
3. **Download the Teacher's Kit** to prepare for the class in advance.

LIVE CLASSES

You can then expect an email from us with the **join-in link 3 days before your lesson**.

You will also be invited to the *Live Classes* closed Facebook group.

LIVE CLASSES registration step-by-step

1. **Register at: registerliveclasses.com**
2. Please **save this date** and time in your calendar (setting up a reminder is also recommended)
3. We will be sending a **reminder and join-in link to you 3 days before** the lesson begins.
