Video Challenge

Now it's your turn. I'd like you to make a short video introducing your school. Tell us about the different **subjects** you learn, what **sports** you do, what the **classrooms** are like, the different **languages** you learn, some of the things you do in your **breaktime**, what you **like most** about your school and something that makes your school **unusual**.

When you've finished send it to your teacher so they can post it on our Facebook group.
