- | | |
|--|--------------|
| 1. You need to be fit and healthy to go mountain biking. | True / False |
| 2. The highest mountain in England is 987 metres high. | True / False |
| 3. It's important climbers check their equipment. | True / False |
| 4. You can go climbing alone. | True / False |
| 5. Night swimmers wear wetsuits to keep dry. | True / False |
| 6. You can go skydiving alone or with an instructor. | True / False |
-

Task 6

Talk to another class

Ask the questions	Write down the answers
<i>Which sport did you choose?</i>	
<i>When did it become popular in _____?</i>	
<i>What equipment do you need?</i>	
<i>Why do you think it is popular in _____?</i>	
<i>What is it important to remember when playing _____?</i>	

CHALLENGE YOURSELF

Create a presentation about the most popular sport in your country. Try to include:

- The name of the sport
- Why is it so popular?
- How do you play it?
- Do you need any special equipment?
- What is it important to remember when you play it?

And anything else you think is important to say. I cannot wait to see your videos on Facebook and to learn more about your country. *Liz*

Thank you for working hard with me today in class.
