

Picnics Are Fun! Listen and Do Poem

Teaching Notes

- As you read each line to students, do the action described in the *Pantomime with Children* column.
- Use props to act out the poem (or actually blow bubbles in class!)
- Repeat several times.

Say:

Let's blow bubbles! 1,2,3!

Let's blow bubbles! Look at me!

Please look up! There they go...

Up and down! Ho, ho, ho!

Pantomime with Children:

Blowing bubbles and show fingers

Blowing bubbles, point to yourself

Look up, point

Look up and down, laugh!
