

Fifty-Fifty Intro: Unit 2 Worksheet (B)

A DAY TOUR OF THE FRENCH CAPITAL

A group of tourists is on a day tour of Paris. Read the information below to complete the table.

Marco is a tour guide in Paris. Today, he is taking five foreign tourists on a day tour of the French capital. All six people speak English. Marco is from Italy, but he now lives and works in Paris. There are three female and two male tourists. Collin is the only American. Four people can speak two languages. Marco can speak English, Italian and French, and the same languages that Diane and Jane speak. Sharon only speaks English. The British woman speaks Chinese. She lives in Hong Kong. Collin is the only one who speaks Spanish. Jane and Sharon are from Melbourne. One Australian lives in London; one speaks Korean because she lives in Seoul. The Canadian speaks French and lives in the same city as Diane. Collin lives in Osaka. Bob is from North America, but he is not from the United States.
