

# Sounds Good

## Podcast 33

Mini is a student and Todd's teaching assistant. Todd wants advice on how to look cool, so Mini gives Todd advice on how to change his wardrobe. How old is Todd? Does Mini think that the quality of a suit matters in Todd's situation? In Mini's country, Sri Lanka, who wears jeans?

Listen again. Fill in the blanks with the items Todd should get for a serious look or casual look. Some clothing items are extra.

2 Casual look: \_\_\_\_\_

**What do you think?**

Do you think the way someone dresses can tell you if they are hard-working or lazy? Why?

## Fun Fact

Indigo is a blue dye used to make blue jeans. However, it is actually yellow until it touches the air.
