

# Sounds Good

## Podcast 25

Tini talks to Todd about an international potluck party. Why does Tini have so many friends from different countries? What is a potluck party? What type of Vietnamese food can Tini make two different ways?

Listen again. Circle the flags that go with the food and people that Tini and Todd mention in the Podcast.

## Fun Fact

The word "potluck" probably comes from the idea that guests have to eat whatever they are "lucky" enough to find in the "pot". The word was first written down in 1592!

What would you take to an international potluck party? Why?

A favorite Lithuanian summer meal is cold beet soup which is usually pink or purple.
