

# Sounds Good

## Podcast 31

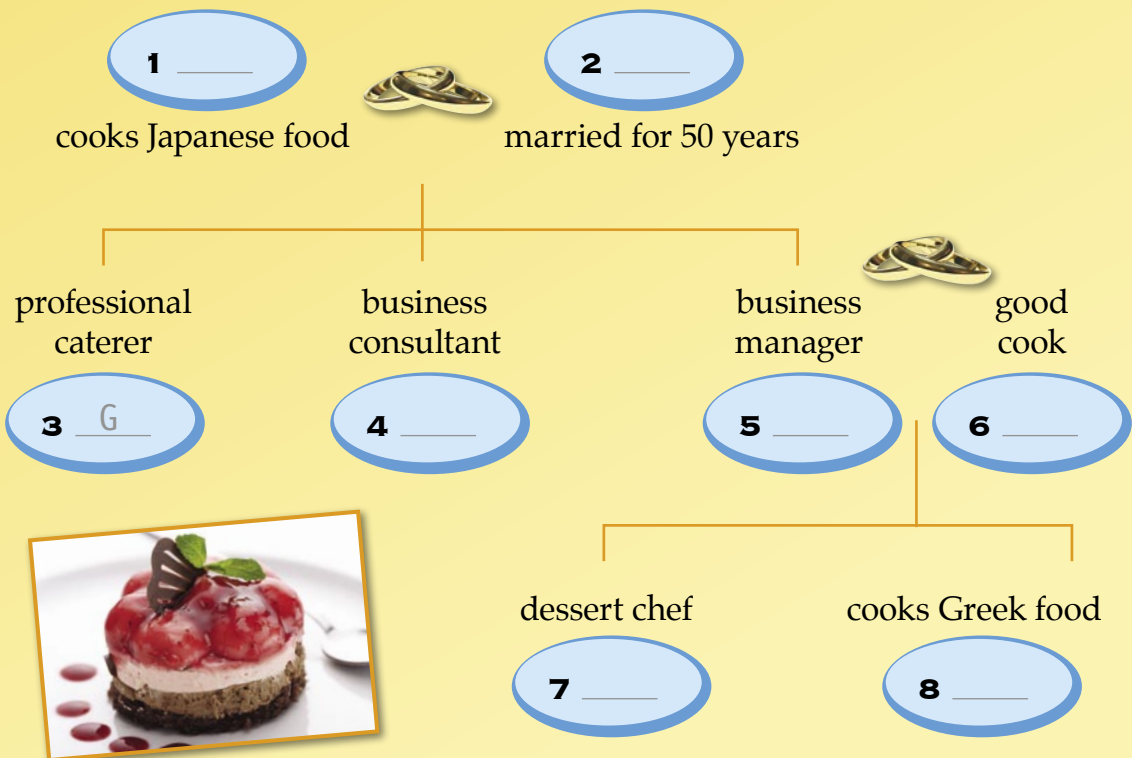

Clare talks about her dream of opening a restaurant with her family. They have talked about opening a restaurant ever since her grandparents' 50th wedding anniversary. Where was Clare's grandmother born? What job would Clare's mother be good at? What would Clare do if they opened a restaurant?

In America, the restaurant industry employs 12.5 million people.

Listen again. Complete the family tree with the members of Clare's family from the list below. One has been done for you.

- A grandfather
- B uncle
- C father
- D mother
- E sister
- F grandmother
- G uncle
- H Clare

## Fun Fact

Olives are a main part of both Greek and Italian cooking. Olives are found as an ingredient in one of the earliest cookbooks ever discovered—a 2,000-year-old text by a Roman named Apicius!

Greek salads are made with tomato, cucumber, red onion, feta cheese and olives.

What do you think?

Would it be fun to work with family members? Why or why not?
