

# Sounds Good

## Podcast 4

Fred and Katia talk about their daily routines in Canada and Mexico. Fred likes his space, but Katia says she spends a lot of time with other people—especially her family. Both countries are in North America, but are their family lifestyles and routines similar or different? Which country has more space? Which country has more people?

Niagara Falls is one of the largest waterfalls in the world. It is also a popular vacation spot. Where is it?

What do you know about Canada and Mexico?

Match the facts below with the correct country's flag.

--	--	--	--	--	--

--	--	--	--	--	--

Would you rather be around people all the time or spend more time alone?

- A** Favorite sport: soccer
- B** Population: 32,057,701
- C** Capital: Ottawa
- D** Population: 107,499,525
- E** Land area: 9,984,670 sq. km.
- F** Capital: Mexico City

- G** Favorite sport: hockey
- H** Land area: 1,923,039 sq. km.
- I** Famous food: maple syrup
- J** Famous landmark: Chichen Itza
- K** Famous food: tacos
- L** Famous landmark: Niagara Falls

Chichen Itza is a famous archaeological site. "The castle" (shown above) was actually a temple to the god, Kukulcan. Where is it?

## Fun Fact

Chocolate comes from Mexico. The Aztecs and Mayans drank chocolate made from cacao beans. They used it for religious ceremonies. The cacao beans

were very valuable and sometimes used as money.
