

Sounds Good

Podcast 11

Fred and Katia talk about their favorite seasons and what they like and don't like about them. Fred loves spring and Katia loves fall. Which season is not talked about in the Podcast? Which season do both Fred and Katia like?

Listen again. Complete the table with the good and bad things Fred and Katia talk about in the Podcast. There are two good things and two bad things for each season.

Fall is a very beautiful season in Canada but winter is long and hard. In some places snow can be on the ground for 6 months of the year!

SPRING

Good _____

Bad _____

C flowers are blooming

D red, yellow, orange and black colors

F it's a rainy season

B leaves change color

FALL

Good _____

Bad _____

A people are out and happy

G many people catch a cold

E people don't go out

H people don't smile

Are there four seasons where you live? What is your favorite time of year? Why?

Fun Fact

In some countries, the clocks are set forward one hour at the start of spring so that the early mornings have less daylight and the afternoons are longer. This is called Daylight Saving Time (DST). The clocks are set back again in fall.

Tulips flower in spring but only after a long, cold winter. They don't grow well in warm countries like Mexico.
