

# Sounds Good

## Podcast 45

Michelle, Tom, Swinky, Jeff, Xenia and Clare talk about jeans. They mention how often they wear them and why. They also explain how much they usually spend. Where does Swinky buy cheap jeans in Kenya? Who isn't really interested in fashion? Why does Xenia like wearing dark-colored jeans?

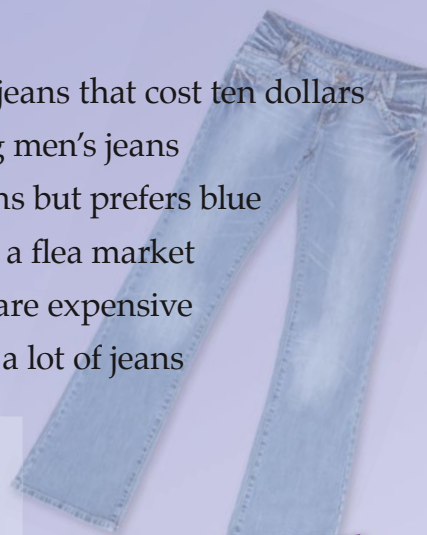

**Listen again. Complete the table with the key facts for each speaker.**

1 Michelle	_____	_____
2 Tom	_____	_____
3 Swinky	_____	_____
4 Jeff	_____	_____
5 Xenia	_____	_____
6 Clare	_____	_____

## Fun Fact

227kg of raw cotton can produce one of the following:  
 215 pairs of jeans,  
 1,200 t-shirts,  
 4,300 pairs of socks or 680,000 cotton balls!

**What do you think?**

**How important is fashion in your life?**
