

Who are the boy and the dog chasing? Why?

Did you ever dress up as a child? What as?

How do you think playing like this helps a child develop?

What superpowers do normal people possess?

What responsibilities should parents have for their children?

How does the way you look show people who you are?

What superpowers would you most like to have and why?

In what situations are you on your best behaviour?

Which people have the greatest responsibilities? What are they?

What helps to develop creativity?

What superpowers can technology give you?
