

What are the people in the picture practising for? Why do you think so?

How useful is it to play a musical instrument? Why do you think so?

What do you practise and why?

Where else could these people practise their music?

What sort of things do you have to practise a lot before you get good at them?

Which school subjects are more practical and which are less?

What would you prepare for a school talent show?

Could these people still practise together if they lived in different places? How?

What types of music would you like to hear live?

How do you spend time with your friends?
Do you ever practise things together?

Does it make a difference when you listen to music live? How is it different?
