To Shareholders

25 March 2010

Dear Shareholder

I am writing to give you details of the business which will be conducted at the Annual General Meeting (AGM or the meeting) of Pearson plc (Pearson or the company) to be held at The Queen Elizabeth II Conference Centre, Broad Sanctuary, Westminster, London SW1P 3EE at 12 noon on Friday, 30 April 2010.

Voting on all of the proposed resolutions at the AGM will be conducted on a poll rather than on a show of hands.

Voting by calling a poll is more transparent and equitable because it includes the votes of all shareholders, including those cast by proxies, rather than just the votes of those members who attend the meeting.

Shareholders of the company (shareholders) will be asked to consider and, if thought fit, approve resolutions in respect of the following matters:

Ordinary business

The company's accounts and reports of the directors of the company (directors) and auditors of the company (auditors);

The final dividend for the year ended 31 December 2009;

Re-election of directors;

Approval of the report on directors' remuneration;

Reappointment of PricewaterhouseCoopers LLP (PwC) as auditors for the ensuing year;

Authority to determine the remuneration of the auditors;

Authority to allot shares; and

Approval of Share Incentive Plan.

Special business

Waiver of pre-emption rights in certain circumstances;

Authority for the company to purchase its own shares;

Amendment to the company's Articles of Association (Articles); and

Approval of a 14 day notice period for general meetings in accordance with the Shareholder Rights Directive.

A brief description of these matters is set out below.

Notice of AGM

The Notice convening the AGM is set out on pages 9 to 12 of this document.

Report and accounts and final dividend

(resolutions 1 and 2)

The first item at the AGM will be the receipt and consideration of the company's accounts and the reports of the directors and auditors for the financial year ended 31 December 2009.

Separately, shareholders will also be asked to approve the payment of a final dividend of 23.3p per ordinary share in respect of the year ended 31 December 2009, as recommended by the directors.

It is proposed that the dividend will be paid on 7 May 2010 to shareholders on the register at close of business on 9 April 2010 (the record date).

Re-election of directors

(resolutions 3 to 13)

Report on directors' remuneration (resolution 14)

Shareholders will be asked to approve the report on directors' remuneration in accordance with the provisions of the Directors' Remuneration Report Regulations 2002.

Auditors (resolutions 15 and 16)

Resolutions will be proposed to reappoint PwC as auditors until the conclusion of the AGM in 2011 and to authorise the directors to determine the remuneration of the auditors.

Directors' authority to allot shares (resolution 17)

Shareholders will be asked, pursuant to the provisions of section 551 of the Companies Act 2006 (the Act), to confer on the board of directors the authority to allot shares for a period ending at the close of the AGM in 2011.

If passed, the new authority would permit the allotment of up to 270 million ordinary shares (representing approximately 33.3% of Pearson's issued ordinary share capital at 26 February 2010); save in connection with an offer by way of a rights issue in which case the authority would permit the allotment of up to 540 million ordinary shares (representing approximately 66.6% of Pearson's issued share capital at 26 February 2010) – in each case over and above those committed to the various share option and employee share plans. At the date this document was approved by the board, the directors had no intention to exercise this authority, although they considered its grant to be appropriate in order to preserve maximum flexibility for the future.

Waiver of pre-emption rights (resolution 18)

A resolution will also be proposed to waive (under the provisions of section 570 of the Act) the statutory pre-emption provisions applicable to the allotment of equity securities for cash contained in section 561 of the Act for a period ending at the close of the AGM in 2011.

Accordingly, resolution 18 proposes authority to issue equity securities for cash consideration either (i) by way of a rights or other pre-emptive issue or (ii) by way of a non-pre-emptive issue, in the latter case limited to a total of 40 million ordinary shares, representing approximately 5% of Pearson's issued ordinary share capital as at 26 February 2010. This resolution is conditional on resolution 17 being passed.

At the date this document was approved by the board, the directors had no intention to exercise this authority, although they considered its grant to be appropriate in order to preserve maximum flexibility for the future. The directors intend to comply with the Pre-Emption Group's Statement of Principles in relation to the cumulative three year cap regarding non-pre-emptive issues for cash.

Authority to purchase own shares (resolution 19)

Shareholders will be asked (as in previous years) to authorise the market purchase by Pearson of a proportion of its issued ordinary share capital, subject to the limits referred to below.

The directors consider it prudent to be able to act at short notice if circumstances warrant. In considering the purchase of ordinary shares, the directors will follow the procedures laid down in the Act and will take into account cash resources, capital requirements and the effect of any purchase on gearing levels and on earnings per equity share. They will only consider exercising the authority when satisfied that it is in the best interests of the company to do so, having first considered any other investment opportunities open to the company.

Any purchase by the company of its own shares pursuant to this authority will be paid for out of distributable profits. Any shares which are repurchased will be dealt with in accordance with section 724 of the Act. The company is entitled to hold the shares as treasury shares, sell them for cash, cancel or transfer them pursuant to an employee share plan. The authority, which will expire at the close of the AGM in 2011, will be limited to the purchase of 81 million ordinary shares, representing approximately 10% of Pearson's issued ordinary share capital as at 26 February 2010. The maximum price (excluding expenses) to be paid per

ordinary share on any occasion will be restricted to the higher of (i) 105% of the average of the market value of ordinary shares of the company derived from the London Stock Exchange Daily Official List for the five business days before the purchase is made and (ii) an amount equal to the higher of the price of the last independent trade of an ordinary share and the highest current bid for an ordinary share as derived from the London Stock Exchange Trading System, and the minimum price will be 25p per ordinary share.

Shareholders should understand that the maximum number of shares and the price range are stated merely for the purposes of compliance with statutory and Financial Services Authority (FSA) requirements in seeking this authority and should not be taken as any indication of the terms upon which the company intends to make such purchases. At the date this document was approved by the board, the directors had no intention to exercise this authority.

The total number of options to subscribe for ordinary shares which were outstanding at 26 February 2010, the latest practicable date prior to the publication of this document, was approximately 12.3 million, which represents approximately 1.51% of the issued share capital of the company at that date and would represent approximately 1.68% of the company's issued share capital, if the maximum number of 81 million shares were to be purchased by the company.

Amendment to Articles of Association (resolution 20)

It is proposed in resolution 20 to adopt new articles of association (the New Articles) in order to update the company's current articles of association (the Current Articles). Primarily, this is to take account of the Companies (Shareholders' Rights) Regulations 2009 (the Shareholders' Rights Regulations), the implementation of the final provisions of the Companies Act 2006 (the 2006 Act) and the amendments to the Uncertificated Securities Regulations 2001.

The principal changes introduced in the New Articles are summarised below. Certain other minor changes, which are of a technical or clarifying nature and which merely reflect changes made by the 2006 Act, the Shareholders' Rights Regulations or the Uncertificated Securities Regulations 2001, have not been noted below. The New Articles (showing all the changes to the Current Articles) are available for inspection at the company's registered office address during normal business hours on any business day.

Change of name – Under the Companies Act 1985 (the 1985 Act), a company could only change its name by special resolution. Under the 2006 Act a company can change its name by other means provided for in its articles. To take advantage of this provision, the New Articles enable the directors to pass a resolution to change the company's name, as an alternative method of making this change.

Authorised share capital and unissued shares – The 2006 Act abolished the requirement for a company to have an authorised share capital and the New Articles reflect this. Directors will still be limited as to the number of shares that they can allot at any time because allotment authority continues to be required under the 2006 Act, save in respect of employee share schemes.

Redeemable shares – Under the 1985 Act, if a company wished to issue redeemable shares, it had to include in its articles the terms and manner of redemption. The 2006 Act enables directors to determine such matters instead, provided they are so authorised by the articles. The New Articles contain such an authorisation. The company has no plans to issue redeemable shares but if it did so the directors would need shareholders' authority to issue new shares in the usual way.

Authority to purchase own shares, consolidate and sub-divide shares and reduce share capital – Under the 1985 Act, in addition to shareholder approval, a company required specific enabling provisions in its articles in order to purchase its own shares, to consolidate or sub-divide its shares or to reduce its share capital or other undistributable reserves. Under the 2006 Act a company only requires shareholder authority to do any of these things and therefore these enabling provisions have been removed in the New Articles.

Use of seals – Under the 1985 Act, a company required authority in its articles to have an official seal for use abroad. Under the 2006 Act, such authority will no longer be required and therefore the relevant authorisation has been removed in the New Articles.

Suspension of registration of share transfers – The Current Articles permit the directors to suspend the registration of transfers. Under the 2006 Act, share transfers must be registered as soon as practicable. Therefore, as the power in the Current Articles to suspend the registration of transfers is inconsistent with the 2006 Act, it has been removed in the New Articles.

Voting by proxies – The Shareholders' Rights Regulations have amended the 2006 Act so that it now provides that each proxy appointed by a member has one vote on a show of hands unless the proxy is appointed by more

than one member. If this is the case and the proxy has been instructed by one or more members to vote for the resolution and by one or more members to vote against the resolution, the proxy has one vote for and one vote against. The Current Articles have been amended to reflect these changes.

There is also a new statutory obligation for proxies to vote in accordance with any instructions given by the member. This has always been the case under common law and there is no statement that a breach would affect the outcome of a vote. The New Articles reinforce the position that there is no obligation on the company to check whether proxies (or corporate representatives) are voting in accordance with instructions and that the vote is not invalidated should instructions not be followed.

Voting by corporate representatives – The Shareholders' Rights Regulations have amended the 2006 Act in order to enable multiple representatives appointed by the same corporate member to vote in different ways on a show of hands and a poll. The New Articles contain provisions which reflect these amendments.

Adjournments for lack of quorum – Under the 2006 Act as amended by the Shareholders' Rights Regulations, general meetings adjourned for lack of quorum must be held at least 10 clear days after the original meeting. The Current Articles have been changed to reflect this requirement.

Notice of meetings (resolution 21)

Although our Articles already grant the company the authority to call general meetings (other than annual general meetings) on 14 days' notice, under the Shareholder Rights Directive this authority is required to be approved by shareholders annually, otherwise a minimum of 21 days' notice must be given. The directors believe it is in the best interests of shareholders to preserve the shorter notice period, although the flexibility offered by this resolution will only be used where, taking into account all the circumstances, the directors consider this appropriate in relation to the business to be considered at the meeting.

Approval of Share Incentive Plan (resolution 22)

Pearson's long-standing policy has been to encourage employees at all levels to become shareholders in the company and tax-favoured share plans are one method to achieve this. Pearson obtained the approval of shareholders for the introduction of a HM Revenue & Customs (HMRC) approved Share Incentive Plan (then known as an all-employee share ownership plan) at the Annual General Meeting in May 2000. The underlying legislation had then only recently been introduced. Although Pearson has not to date implemented a Share Incentive Plan based on that authority, it may wish to do so in the future. To date, Pearson has considered that the Worldwide Save for Shares Plan is a more appropriate tax-favoured plan for UK employees. Nevertheless, Pearson wishes to refresh the 2000 authority by seeking shareholder approval for a new Share Incentive Plan (the Plan). Subject to approval by the shareholders, it will be submitted to HMRC for approval, enabling awards under the Plan to attract tax favoured treatment for UK resident employees.

Eligibility: Employees of any member of the Pearson group who are UK resident taxpayers are eligible to participate in the Plan provided they satisfy any minimum service requirement. Pearson may set a minimum service requirement but that requirement cannot exceed 18 months' service. When the Plan is operated, all eligible employees must be invited to participate on similar terms.

Overview of the Plan: In summary, the Plan allows three types of award to be granted and held in trust for participants:

- (i) an award of ordinary shares (Free Shares);
- (ii) the opportunity for employees to purchase ordinary shares with deductions from their pre-tax salary (Partnership Shares); and

- (iii) an award of ordinary shares (Matching Shares) to those employees who have purchased Partnership Shares.

These elements may be operated individually or in conjunction with each other. In addition, employees can be required or allowed to reinvest dividends paid on their Free Shares, Partnership Shares and Matching Shares in further ordinary shares (Dividend Shares).

Free Shares: Pearson may provide Free Shares to eligible employees up to a maximum value set from time to time by HMRC. The current maximum value is £3,000 per employee per annum. If Pearson wishes, the award of Free Shares can be based on the achievement of personal, team, divisional or corporate performance targets which must be notified to all employees. Otherwise, Free Shares must be awarded to employees on the same terms subject only to variation according to an employee's remuneration, length of service or hours worked.

Partnership Shares: Pearson may provide employees with the opportunity to acquire Partnership Shares from their pre-tax salary up to a maximum value set from time to time by HMRC, currently the lesser of £1,500 per annum or 10% of salary. Salary for these purposes includes base salary and bonus. Pearson may set a minimum monthly deduction which may not be greater than £10. Ordinary shares will be acquired on behalf of employees, within 30 days after each deduction, at a price equal to the market value of such ordinary shares on the date they are acquired. Alternatively, deductions can be accumulated for up to 12 months. In this case, ordinary shares will be acquired on behalf of employees within 30 days of the end of the accumulation period, at the lower of the market value of the ordinary shares at the beginning of the accumulation period or the date when they are acquired.

Matching Shares: Pearson may award Matching Shares to those employees who have purchased Partnership Shares. The Matching Shares must be offered on the same basis to all employees in such ratio as Pearson may determine, but that ratio may not exceed two Matching Shares for every one Partnership Share purchased.

Dividend Shares: Pearson may either give employees the opportunity, or it may require them, to re-invest dividends paid on their Free Shares, Partnership Shares and Matching Shares in further ordinary shares up to a maximum value set by HMRC. This value is currently £1,500 per annum.

Holding Period: Free Shares and Matching Shares must generally be held in the Plan trust for a minimum period set by Pearson which may not be less than three years or more than five years from the date on which such ordinary shares are allocated to employees. Dividend Shares must generally be held in the Plan trust for a minimum period of not less than three years.

Leavers: Pearson can provide for Free Shares and Matching Shares to be forfeited if employees cease employment with the Pearson group within the period of up to three years from the date on which ordinary shares were allocated other than in specified circumstances such as redundancy, disability, injury or reaching retirement age.

Employees may withdraw their Partnership Shares at any time. However, Pearson can stipulate that Matching Shares will be subject to forfeiture if the corresponding Partnership Shares are withdrawn within a specified period (not exceeding three years) of their purchase on behalf of the employee. Pearson may also stipulate that Free Shares may be forfeited if an employee purports to withdraw them within a period of up to three years from the date they were allocated. Forfeiture will not apply if the ordinary shares are withdrawn from the Plan in consequence of a change of control.

Income tax and employee's national insurance contributions will be payable on the transfer of Free Shares, Partnership Shares or Matching Shares out of the Plan trust to the employee unless the employee is a good leaver or the ordinary shares have been held in trust for five years. Dividend Shares, transferred out of the trust where the employee is not a good leaver and the ordinary shares have not been held in the trust for three years, will be taxed as a dividend.

Corporate Events: In the event of any reconstruction or takeover of Pearson, employees may direct the trustee of the Plan how to act in respect of any ordinary shares held on their behalf.

Other Provisions: Pearson will be able to satisfy awards under the Plan using existing shares purchased in the market, treasury shares or newly issued shares. To the extent that new shares are issued, Pearson will ensure that over any ten year period, no more than 10% of the company's ordinary share capital will be issued under the Plan and all other employee share plans taken together. The satisfaction of awards with treasury shares will be treated as an issue of ordinary shares for the purposes of the above limit for so long as institutional shareholder guidelines recommend this.

Any ordinary shares allotted under an award will rank *pari passu* with ordinary shares then in issue (except for rights arising by reference to a record date prior to their allotment). At any time when the ordinary shares are admitted to listing on a recognised stock exchange, application will be made for any newly issued ordinary shares to be admitted to listing and admitted to trading on the relevant exchange.

In the event of a variation of the company's ordinary share capital (for example, by reason of a bonus issue or a rights issue), participants in the Plan will be entitled to direct the trustee as to what action they wish to be taken in respect of their shares under the Plan, in accordance with the terms of the legislation.

Alterations to the basic structure of the Plan which are to the advantage of actual or potential participants may not be made without the prior approval of shareholders in general meeting. The requirement to obtain the prior approval of shareholders will not, however, apply to any alteration which benefits the administration of the Plan or to take account of changes in legislation, or to obtain favourable tax or regulatory treatment for participants. In addition, no amendment may operate to affect adversely any right already obtained by a participant.

No awards may be made under the Plan following the tenth anniversary of the board's adoption of the Plan.

Annual General Meeting

The resolutions referred to in this letter are included in the Notice of AGM set out on pages 9 to 12 of this document. Alternatively, you may register your vote online by visiting the registrar's website at www.sharevote.co.uk or, if you already have a portfolio registered with them, by logging onto www.shareview.co.uk. In order to register your vote online you will need to enter the Voting I.D., Task I.D. and Shareholder Reference Number which are given on the enclosed form of proxy. If you are a member of CREST, you may register the appointment of a proxy by using the CREST electronic proxy appointment service. Further details are contained in the Notes to the Notice of AGM and in the form of proxy.

Completion of a form of proxy or the appointment of a proxy electronically, will not stop you from attending the AGM and voting in person should you so wish. If you are unable to attend the AGM in person but would like to ask a question, please e-mail glenmoreno-agm@pearson.com.

The form of proxy for use at the meeting must be deposited, together with any power of attorney or authority under which it is signed, at Equiniti, Aspect House, Spencer Road, Lancing, West Sussex BN99 6GQ, not less than 48 hours before the time appointed for the AGM or any adjournment thereof. An appropriate form of proxy is enclosed. In order to register your vote online you will need to enter the Voting I.D., Task I.D. and Shareholder Reference Number which are given on the enclosed form of proxy.
2. CREST members who wish to appoint a proxy or proxies, or amend an instruction to a previously appointed proxy, through the CREST electronic proxy appointment service may do so for the AGM to be held at 12 noon on Friday, 30 April 2010 and any adjournment(s) thereof by using the procedures described in the CREST manual (available via www.euroclear.com/CREST). CREST personal members or other CREST sponsored members, and those CREST members who have appointed (a) voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST manual. The message, regardless of whether it relates to the appointment of a proxy or to an instruction to a previously appointed proxy, must be transmitted so as to be received by the issuer's agent (ID: RA19) by no later than 12 noon on Wednesday, 28 April 2010. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST proxy instructions. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider(s) is/are referred, in particular, to those sections of the CREST manual concerning practical limitations of the CREST system and timings.
