Dear Shareholder

I am writing to give you details of the business which will be conducted at the Annual General Meeting (AGM or the meeting) of Pearson plc (Pearson or the company) to be held at IET London, 2 Savoy Place, London WC2R 0BL at 12 noon on Friday, 27 April 2012.

Voting on all of the proposed resolutions at the AGM will be conducted on a poll rather than on a show of hands. Voting on a poll is more transparent and equitable because it includes the votes of all shareholders, including those cast by proxies, rather than just the votes of those shareholders who attend the meeting.

Shareholders of the company (shareholders) will be asked to consider and, if thought fit, approve resolutions in respect of the following matters:

Ordinary business

The company’s accounts and reports of the directors of the company (directors) and the auditors of the company (auditors);

The final dividend for the year ended 31 December 2011;

Re-election and reappointment of directors;

Approval of the report on directors’ remuneration;

Reappointment of PricewaterhouseCoopers LLP (PwC) as auditors for the ensuing year;

Authority to determine the remuneration of the auditors; and

Authority to allot shares.

Special business

Waiver of pre-emption rights in certain circumstances;

Authority for the company to purchase its own shares;

Approval of a 14-day notice period for general meetings in accordance with the Companies (Shareholders’ Rights) Regulations 2009 (the Shareholder Rights Regulations) and the company’s Articles of Association (Articles); and

Amendment to the company’s Articles.

A brief description of these matters is set out below.

Notice of AGM

The Notice convening the AGM is set out on pages 8 to 11 of this document (the Notice).

Report and accounts and final dividend (resolutions 1 and 2)

The first resolution at the AGM will be related to the receipt and consideration of the company’s accounts and the reports of the directors and the auditors for the financial year ended 31 December 2011. Separate, shareholders will also be asked to approve the payment of a final dividend of 28p per ordinary share in respect of the year ended 31 December 2011, as recommended by the directors.

If the recommended final dividend is approved, it is proposed that the dividend will be paid on 4 May 2012 to shareholders on the company’s register of members at close of business on 10 April 2012 (the record date).

Re-election and reappointment of directors (resolutions 3 to 14)

In accordance with the UK Corporate Governance Code (the Code), all of the directors being eligible will offer themselves for re-election at the AGM. The re-election of directors will take effect at the conclusion of the meeting. Following the formal evaluation exercise conducted during the year ended 31 December 2011, as chairman, I believe that the contribution and performance of each of the directors continues to be valuable and effective and that it is appropriate for them to continue to serve as directors of the company.

In accordance with the Code, the board has reviewed the independence of its non-executive directors and has determined that they remain fully independent of management and that there are no relationships or circumstances likely to affect their character or judgement. In particular, the board has reviewed in detail the independence of Patrick Cescau, who has served on the board for over nine years. The board has concluded that Patrick remains independent, as explained on page 49 of the report and accounts.

Having been appointed as a director since the last AGM, Vivienne will retire at the forthcoming AGM and, in accordance with the Articles and being eligible, will offer herself for reappointment by shareholders.

Report on directors’ remuneration (resolution 15)

Shareholders will be asked to approve the report on directors’ remuneration in accordance with the provisions of the Large and Medium-sized Companies and Groups (Accounts and Reports) Regulations 2008.

Auditors (resolutions 16 and 17)

Resolutions will be proposed to reappoint PwC as auditors until the conclusion of the AGM in 2013 and to authorise the directors to determine the remuneration of the auditors.
Directors’ authority to allot shares (resolution 18)

Further to the provisions of section 551 of the Companies Act 2006 (the Act), shareholders will be asked to grant the board of directors the authority to allot shares, grant rights to subscribe for shares, or convert any security into shares in the company (the New Authority). The New Authority would be valid until the close of the AGM in 2013.

If passed, the New Authority would be limited to up to 271,992,893 ordinary shares (representing 33.3% of Pearson’s issued ordinary share capital as at 5 March 2012). If the New Authority were used in connection with a rights issue, it would be limited to up to 543,985,786 ordinary shares (representing 66.6% of Pearson’s issued share capital as at 5 March 2012). In each case the number of shares to which the New Authority applies is over and above those committed to the various share option and employee share plans.

At the date this document was approved by the board, the directors had no intention to exercise this authority, although they considered its grant to be appropriate in order to preserve maximum flexibility for the future. The directors intend to renew this authority annually.

Waiver of pre-emption rights (resolution 19)

A resolution will also be proposed to waive (under the provisions of section 570 of the Act) the statutory pre-emption provisions applicable to the allotment of equity securities for cash contained in section 561 of the Act for a period ending at the close of the AGM in 2013.

Accordingly, resolution 19 proposes that authority is granted to the board to issue equity securities for cash consideration either (i) by way of a rights or other pre-emptive issue or (ii) by way of a non-pre-emptive issue, in the latter case limited to a total of 40,798,933 ordinary shares, representing 5% of Pearson’s issued ordinary share capital as at 5 March 2012. This resolution is conditional on resolution 18 being passed.

At the date this document was approved by the board, the directors had no intention to exercise this authority, although they considered its grant to be appropriate in order to preserve maximum flexibility for the future. The directors intend to renew this authority annually.

Authority to purchase own shares (resolution 20)

As in previous years, shareholders will be asked to authorise the market purchase by Pearson of a proportion of its issued ordinary share capital, subject to the limits referred to below.

The directors consider it prudent to be able to act at short notice if circumstances warrant. In considering the purchase of ordinary shares, the directors will follow the procedures laid down in the Act and will take into account cash resources, capital requirements and the effect of any purchase on gearing levels and on earnings per equity share. They will only consider exercising the authority when satisfied that it would be in the best interests of the company and its shareholders as a whole to do so, having first considered any other investment opportunities open to the company.

Any purchase by the company of its own shares pursuant to this authority will be paid for out of distributable profits. Any shares which are repurchased will be dealt with in accordance with section 724 of the Act. The company is entitled to hold the shares as treasury shares, sell them for cash, cancel them or transfer them pursuant to an employee share plan. The authority, which will expire at the close of the AGM in 2013, will be limited to the purchase of 81,597,867 ordinary shares, representing 10% of Pearson’s issued ordinary share capital as at 5 March 2012. The maximum price (excluding expenses) to be paid per ordinary share on any occasion will be restricted to the higher of (i) 105% of the average of the middle market quotations of an ordinary share of the company derived from the London Stock Exchange Daily Official List for the five business days immediately preceding the day on which the ordinary share is contracted to be purchased and (ii) an amount equal to the higher of the price of the last independent trade of an ordinary share and the highest current bid for an ordinary share as derived from the London Stock Exchange Trading System. The minimum price will be 25p per ordinary share.

Shareholders should understand that the maximum number of shares and the price range are stated merely for the purposes of compliance with statutory and Financial Services Authority (FSA) requirements in seeking this authority and should not be taken as any indication of the terms upon which the company intends to make such purchases. At the date this document was approved by the board, the directors had no intention to exercise this authority.
The company’s issued share capital as at 5 March 2012 (the latest practicable date prior to the publication of this document) was 815,978,679. The total number of options to subscribe for ordinary shares which were outstanding as at 5 March 2012 was approximately 3.07 million, which represents approximately 0.38% of the issued share capital of the company at that date. If the maximum number of 81,597,867 shares were to be purchased by the company (under resolution 20), the adjusted issued share capital would be 734,380,811 and the options outstanding would represent approximately 0.42% of the adjusted issued share capital.

**Notice of Meetings (resolution 21)**

Although our Articles already grant the company the authority to call general meetings (other than annual general meetings) on 14 days’ notice, under the Shareholder Rights Regulations this authority is required to be approved by shareholders annually, otherwise a minimum of 21 days’ notice must be given. The directors believe it is in the best interests of the company and its shareholders as a whole to preserve the shorter notice period. However, the flexibility offered by this resolution will not be used as a matter of routine for general meetings, but only where, taking into account all the circumstances, the directors consider this appropriate in relation to the business to be considered at the meeting.

**Articles of Association (resolution 22)**

It is proposed in resolution 22 to adopt new Articles of Association (the New Articles) in order to update the company’s current Articles of Association (the Current Articles) primarily to reflect changes to The Uncertificated Securities Regulations 2001 and to incorporate certain provisions which provide the company with maximum flexibility, as permitted under the Act.

The two changes introduced in the New Articles are summarised below. The New Articles, showing all the changes to the Current Articles, are available for inspection at the company’s registered office address during normal business hours on any business day.

**Shareholder Communications** – Under the Act, a company must send shareholder information and documents to every shareholder of the company, to an address specified for the purpose by the intended recipient or at their address shown in the register of members. On occasion, shareholders change address without notifying the company but shareholder documents continue to be mailed to the last known address, as required by the Act. The New Articles contain provisions which, after having made reasonable attempts to establish the shareholder’s correct address, permit the company to stop sending shareholder information or documents to the incorrect address until such time as the shareholder has given the company an address to which such documents may be sent.

**Proxy Return Date** – In accordance with the Shareholder Rights Regulations, a company’s articles cannot require a proxy appointment to be received (or cancelled) by the company more than 48 hours before a meeting. The Uncertificated Securities Regulations 2001 were amended to allow companies to ignore non-working days when calculating the maximum 48 hours for setting the proxy return date and the New Articles incorporate this change.

**Annual General Meeting**

The resolutions referred to in this letter are included in the Notice of AGM set out on pages 8 to 11 of this document. The AGM is to be held at IET London, 2 Savoy Place, London WC2R 0BL at 12 noon on Friday, 27 April 2012. If you are unable to attend the meeting, please complete and return the enclosed form of proxy in the prepaid envelope provided so as to reach the company’s registrar, Equiniti, not less than 48 hours before the time of the meeting. Alternatively, you may register your vote online by visiting the registrar’s website at [www.sharevote.co.uk](http://www.sharevote.co.uk) or, if you already have a portfolio registered with them, by logging onto [www.shareview.co.uk](http://www.shareview.co.uk). In order to register your vote online you will need to enter the Voting I.D., Task I.D. and Shareholder Reference Number which are given on the enclosed form of proxy. If you are a member of CREST, you may register the appointment of a proxy by using the CREST electronic proxy appointment service. Further details are contained in the Notes to the Notice of AGM and in the form of proxy.
Completion of a form of proxy or the appointment of a proxy electronically, will not stop you from attending the AGM and voting in person should you so wish. If you are unable to attend the AGM but would like to ask a question, please e-mail:

3. Completion of a form of proxy, or the appointment of a proxy electronically, will not stop you from attending the meeting and voting in person should you so wish.

4. Any corporation which is a shareholder can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a shareholder, provided that if two or more representatives purport to vote in respect of the same shares (i) if they purport to exercise the power in the same way as each other, the power is treated as exercised in that way; and (ii) in other cases the power is treated as not exercised.

If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may,
under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.

The statement of the rights of shareholders in relation to the appointment of proxies in note 1 above does not apply to Nominated Persons. The rights in relation to the appointment of proxies described in that note can only be exercised by shareholders of the company.
