To shareholders

26 March 2009

Dear Shareholder

I am writing to give you details of the business which will be conducted at the Annual General Meeting (AGM or the meeting) of Pearson plc (Pearson or the company) to be held at The Queen Elizabeth II Conference Centre, Broad Sanctuary, Westminster, London SW1P 3EE at 12 noon on Friday, 1 May 2009.

Voting on all of the proposed resolutions at the AGM will be conducted on a poll rather than on a show of hands. This is in line with recommended best practice as published in the Myners Report to the Shareholder Voting Working Group.

Voting by calling a poll is more transparent and equitable because it includes the votes of all shareholders, including those cast by proxies, rather than just the votes of those members who attend the meeting.

Shareholders of the company (shareholders) will be asked to consider and, if thought fit, approve resolutions in respect of the following matters:

Ordinary business

The company's accounts and reports of the directors of the company (directors) and auditors of the company (auditors);

The final dividend for the year ended 31 December 2008;

Re-election and reappointment of directors;

Approval of the report on directors' remuneration;

Reappointment of PricewaterhouseCoopers LLP (PwC) as auditors for the ensuing year;

Authority to determine the remuneration of the auditors; and

Authority to allot shares.

Special business

Increase in the company's authorised share capital;

Waiver of pre-emption rights in certain circumstances;

Authority for the company to purchase its own shares;

Amendment to Articles of Association (Articles); and

Approval of a 14 day notice period for general meetings in accordance with the Shareholder Rights Directive.

A brief description of these matters is set out below.

Notice of AGM

The Notice convening the AGM is set out on pages 6 to 8 of this document.

Report and accounts and final dividend (resolutions 1 and 2)

The first item at the AGM will be the receipt and consideration of the company's accounts and the reports of the directors and auditors for the financial year ended 31 December 2008.

Separately, shareholders will also be asked to approve the payment of a final dividend of 22p per ordinary share in respect of the year ended 31 December 2008, as recommended by the directors.

It is proposed that the dividend will be paid on 8 May 2009 to shareholders on the register at close of business on 14 April 2009 (the record date).

Report on directors' remuneration (resolution 15)

Shareholders will be asked to approve the report on directors' remuneration in accordance with the provisions of the Directors' Remuneration Report Regulations 2002.

Auditors (resolutions 16 and 17)

Resolutions will be proposed to reappoint PwC as auditors until the conclusion of the AGM in 2010 and to authorise the directors to determine the remuneration of the auditors.

Directors' authority to allot shares (resolution 18)

Shareholders will be asked, pursuant to the provisions of section 80 of the Companies Act 1985 (the Act), to confer on the board of directors the authority to allot shares for a period ending at the close of the AGM in 2010. This resolution is conditional on resolution 19 being passed.

If passed, the new authority would permit the allotment of up to approximately 270 million ordinary shares (representing approximately 33.3% of Pearson's issued ordinary share capital at 4 March 2009); save in connection with an offer by way of a rights issue in which case the authority would permit the allotment of up to approximately 540 million ordinary shares

(representing approximately 66.6% of Pearson's issued share capital at 4 March 2009) - in each case over and above those committed to the various share option and employee share plans. At the date this Notice was approved by the board, the directors have no current intention to exercise this authority, although they consider its grant to be appropriate in order to preserve maximum flexibility for the future.

Proposed increase in authorised share capital (resolution 19)

Shareholders will be asked to approve an increase in the authorised ordinary share capital of the company to ensure that a reasonable amount of unissued equity is available to take advantage of opportunities for expansion which may arise in the future. If this resolution is passed, there will be approximately 790 million ordinary shares unissued, including approximately 107 million ordinary shares (representing approximately 7% of the enlarged authorised ordinary share capital) reserved for the various share option and employee share plans. The increase represents approximately 33% of the current authorised share capital.

Waiver of pre-emption rights (resolution 20)

A resolution will also be proposed to waive (under the provisions of section 95 of the Act) the statutory pre-emption provisions applicable to the allotment of equity securities for cash contained in section 89 of the Act for a period ending at the close of the AGM in 2010.

Accordingly, resolution 20 proposes authority to issue ordinary shares for cash consideration either (i) by way of a rights or other pre-emptive issue or (ii) by way of a non-pre-emptive issue, in the latter case limited to a total of approximately 40 million ordinary shares, representing approximately 5% of Pearson's issued ordinary share capital as at 4 March 2009. This resolution is conditional on resolutions 18 and 19 being passed.

At the date this notice was approved by the board, the directors have no current intention to exercise this authority, although they consider its grant to be appropriate in order to preserve maximum flexibility for the future. The directors also intend to comply with the Pre-Emption Group's Statements of Principles in relation to the cumulative three year cap regarding non-pre-emptive issues for cash.

Authority to purchase own shares (resolution 21)

Shareholders will be asked (as in previous years) to authorise the market purchase by Pearson of a proportion of its issued ordinary share capital, subject to the limits referred to below.

The directors consider it prudent to be able to act at short notice if circumstances warrant. In considering the purchase of ordinary shares, the directors will follow the procedures laid down in the Act and will take into account cash resources, capital requirements and the effect of any purchase on gearing levels and on earnings per equity share. They will only consider exercising the authority when satisfied that it is in the best interests of the company to do so, having first considered the other investment opportunities open to the company.

A purchase by the company of its own shares pursuant to this authority will be paid for out of distributable profits. Any shares which are repurchased will be dealt with in accordance with section 162A of the Act. The company is entitled to hold the shares as treasury shares, sell them for cash, cancel them or transfer them pursuant to an employee share plan. The authority, which will expire at the close of the AGM in 2010, will be limited to the purchase of 80 million ordinary shares, representing approximately 10% of Pearson's issued ordinary share capital as at 4 March 2009. The maximum price (excluding expenses) to be paid per ordinary share on any occasion will be restricted to the higher of (i) 105% of the average of the market value of ordinary shares of the company derived from the London Stock Exchange Daily Official List for the five business days before the purchase is made and (ii) an amount equal to the higher of the price of the last independent trade of an ordinary share and the highest current bid for an ordinary share as derived from the London Stock Exchange Trading System, and the minimum price will be 25p per ordinary share.

Shareholders should understand that the maximum number of shares and the price range are stated merely for the purposes of compliance with statutory and Financial Services Authority (FSA) requirements in seeking this authority and should not be taken as any representation of the terms upon which the company intends to make such purchases. The directors have no current intention to exercise this authority.

The total number of options to subscribe for ordinary shares which were outstanding at 4 March 2009, the latest practicable date prior to the publication of this document, was 14 million, which represents 1.74% of the issued share capital of the company at that date and would represent 1.93% of the company's issued share capital, if the maximum number of 80 million shares were to be purchased by the company.

Amendment to Articles of Association (resolution 22)

The provisions regulating the operations of the company are currently set out in the company's Memorandum and Articles of Association. The company's Memorandum contains, amongst other things, the objects clause which sets out the scope of the activities the company is authorised to undertake. Under the Companies Act 2006 (the 2006 Act), the objects clause and all other provisions which are contained in the company's Memorandum will be deemed to be contained in the company's Articles from 1 October 2009, but the company can remove these provisions. The 2006 Act abolishes the need for a company to have an objects clause. The company is proposing to remove its objects clause together with the other provisions of its Memorandum. The 2006 Act also abolishes the requirement for a company to have an authorised share capital and the resolution reflects this. Directors will still be limited as to the number of shares they can allot because allotment authority continues to be required under the 2006 Act, save in respect of employee share schemes.

Notice of meetings (resolution 23)

Although our Articles already grant the company the authority to call general meetings (other than annual general meetings) on 14 days' notice, under the Shareholder Rights Directive this authority is required to be approved by shareholders annually, otherwise a minimum of 21 days' notice must be given. The directors believe it is in the best interests of shareholders to preserve the shorter notice period.

Annual General Meeting

The resolutions referred to in this letter are included in the Notice of AGM set out on pages 6 to 8 of this document. The AGM is to be held at The Queen Elizabeth II Conference Centre, Broad Sanctuary, Westminster, London SW1P 3EE at 12 noon on Friday, 1 May 2009. If you are unable to attend the meeting, please complete and return the enclosed form of proxy in the prepaid envelope provided so as to reach the company's registrars, Equiniti, not less than 48 hours before the time of the meeting. Alternatively, you may register your vote online by visiting the website of our registrars at www.sharevote.co.uk or, if you already have a portfolio registered with them, by logging onto www.shareview.co.uk. In order to register your vote online you will need to enter the Voting I.D., Task I.D. and Shareholder Reference Number which are given on

the enclosed form of proxy. If you are a member of CREST, you may register the appointment of a proxy by using the CREST electronic proxy appointment service. Further details are contained in the form of proxy.

Completion of a form of proxy, or the appointment of a proxy electronically, will not stop you from attending the AGM and voting in person should you so wish. If you are unable to attend the AGM in person but would like to ask a question, please e-mail glenmoreno-agm@pearson.com.

Recommendation

In the opinion of the directors, the passing of resolutions 1 to 23 is in the best interests of the company and its shareholders as a whole. Your directors unanimously recommend you to vote in favour of resolutions 1 to 23 as they intend to do in respect of their own beneficial holdings.

Yours sincerely
